This title shall be known and may be cited as the "Virginia Unemployment Compensation Act."

Code 1950, § 60-1; 1968, c. 738, § 60.1-1; 1986, c. 480.

§ 60.2-101. Disclosure of social security account number.
The Commission shall continue to require disclosure of the social security account number of any individual for any purpose relating to a claim for benefits and for any purpose relating to the provision of employment or employment-related services, including verification of the identity of any individual. Additionally, the Commission shall continue to require any employing unit to disclose the social security account number of any individual who performed services for such employing unit for any purpose relating to the unemployment insurance programs administered by the Commission.

1976, c. 708, § 60.1-22.1; 1986, c. 480.

§ 60.2-102. Limitations on payment of benefits; nonliability of Commonwealth and Commission.
Benefits shall be deemed to be due and payable under this title only to the extent provided in this title and to the extent that moneys are available to the credit of the Unemployment Compensation Fund. Neither the Commonwealth nor the Commission shall be liable for any amount in excess of such sums.

§ 60.2-103. Contingencies affecting operation of title.
A. In the event that Chapter 23 of the Internal Revenue Code (26 U.S.C. § 3301 et seq.) is repealed, amended or otherwise changed by the Congress of the United States, or is finally adjudged invalid or unconstitutional by the Supreme Court of the United States, with the result that no portion of the taxes required by this title can be credited against any tax imposed by Chapter 23 of the Internal Revenue Code (26 U.S.C. § 3301 et seq.), the Governor shall, within sixty days from the date of such repeal, amendment or change, or from the date that such act is so finally adjudged invalid or unconstitutional, by proclamation so state. Upon the issuance of such proclamation, the provisions of this title shall expire by limitation and thereafter have no force and effect, except that the Commission shall thereupon requisition all moneys standing to the credit of the Commonwealth in the Unemployment Trust Fund established by Section 904 of the Social Security Act (42 U.S.C. § 1104). All such moneys so refunded, repaid or returned to the Commonwealth, together with such other money paid to the Commonwealth as taxes under the terms of this title and then held by the Commonwealth, less the cost of making the refund and repayment, shall forthwith be refunded or repaid by the State Treasurer,
upon warrants of the Comptroller, issued upon vouchers signed by the Commissioner, or by such other person as the Commissioner may designate for that purpose, to the individual employers, ratably in proportion to the amounts paid by each such employer, who have paid taxes under the terms of this title.

B. In the event that the Secretary of Labor of the United States shall withdraw his approval of this title, with the result that no portion of the taxes required by this title with respect to employment during any year can be credited against any tax imposed by Chapter 23 of the Internal Revenue Code (26 U.S.C. § 3301 et seq.) with respect to employment for such year, the provisions of this title requiring the payment of taxes shall become and remain suspended until such credit can be had.

§ 60.2-104. Reservation of right to amend or repeal.
The General Assembly reserves the right to amend or repeal all or any part of this title at any time. There shall be no vested private right of any kind against such amendment or repeal. All the rights, privileges, or immunities conferred by this title or by acts done pursuant thereto shall exist subject to the power of the General Assembly to amend or repeal this title at any time.

§ 60.2-105. Publication and distribution of law, regulations, etc.
The Commission shall cause to be printed for distribution to the public the text of this title, the Commission's regulations and general rules, its annual reports to the Governor, and any other material the Commission deems relevant and suitable. The Commission shall furnish these materials to any person upon request.

§ 60.2-106. Employer to post and maintain posters.
Each employer shall post and maintain in places readily accessible to individuals in its services all such posters related to unemployment insurance as furnished it by the Commission.

§ 60.2-107. Waiver of rights void.
Any agreement other than an agreement made pursuant to § 60.2-608 by an individual to waive, release or commute his rights to benefits or any other rights under this title shall be void. Any agreement by any individual in the employ of any person or concern to pay all or any portion of an employer's taxes, required under this title from such employer, shall be void. No employer shall directly or indirectly make, require or accept any deduction from wages to finance the employer's taxes required from him, or require or accept any waiver of any right under this title by any individual in his employ. Any employer or officer or agent of any employer who violates any provision of this section shall, for each offense, be guilty of a Class 1 misdemeanor.

Article 2 - ADMINISTRATION

§ 60.2-108. The Commission; appointment, term of office and compensation of Commissioner.
The Virginia Employment Commission shall consist of one Commissioner, who shall be appointed by the Governor for a term of four years, subject to confirmation by the General Assembly, if in session when such appointment is made, and if not in session, then at its next succeeding session. Appointments to fill vacancies shall be for the unexpired terms. The Commissioner may be suspended or removed by the Governor at his pleasure, and he shall receive such compensation as may be provided in accordance with law.

Each division shall be responsible for the discharge of its distinctive functions. Each division shall be a separate administrative unit, with respect to personnel, budget, and duties, except insofar as the Commission may find that such separation is impracticable. In lieu, however, of establishing the two divisions the Commission may cooperate with and utilize the personnel and services of employment offices or services operated by the United States or any of its authorized agencies but only to the extent necessary for the federal employment offices or services to perform the functions imposed upon employment offices by § 60.2-601 and subdivision 5 of § 60.2-612.

A. It shall be the duty of the Commission to administer this title. It shall have power and authority to adopt, amend, or rescind such rules and regulations, to employ such persons, make such expenditures, require such reports, make such investigations, and take such other action, including the appointment of advisory groups, as it deems necessary or suitable to that end. Such rules and regulations shall be subject to the provisions of Chapter 40 (§ 2.2-4000 et seq.) of Title 2.2, except as to the subject matter of subdivisions 2 and 3 of § 60.2-515, which shall become effective in the manner prescribed by § 2.2-4103. The Commission shall determine its own organization and methods of procedure in accordance with provisions of this title, and shall have an official seal which shall be judicially noticed.

B. The Commission shall prepare an annual balance sheet of the moneys in the fund and in the Unemployment Trust Fund to the credit of the Commonwealth in which there shall be provided, if possible, a
reserve against the liability in future years to pay benefits in excess of the then current taxes. That reserve shall be set up by the Commission in accordance with accepted actuarial principles on the basis of statistics of employment, business activity, and other relevant factors for the longest possible period. Whenever the Commission believes that a change in tax or benefit rates is necessary to protect the solvency of the Fund, it shall promptly so inform the Governor and the General Assembly and make recommendations with respect thereto.

§ 60.2-112. Repealed.

§ 60.2-113. Employment stabilization.

B. The Commission may contract with one or more third parties to develop, implement, and maintain the database. The database provider shall (i) maintain the database and (ii) take all actions to ensure the protection of the confidentiality and security of the information contained in the database in accordance with the requirements established by the Commission.

C. The following provisions shall apply to the database:

The Commission may require from any employing unit any sworn or unsworn reports, with respect to persons employed by it, which the Commission deems necessary for the effective administration of this title. Information thus obtained shall not be published or be open to public inspection, other than to public employees in the performance of their public duties, in any manner revealing the employing unit's identity, except as the Commissioner or his delegates deem appropriate, nor shall such information be used in any judicial or administrative proceeding other than one arising out of the provisions of this title; however, the Commission shall make its records about a claimant available to the Workers' Compensation Commission if it requests such records. However, any claimant at a hearing before an appeal tribunal or the Commission shall be supplied with information from such records to the extent necessary for the proper presentation of his claim. Notwithstanding other provisions of this section, the Commissioner, or his delegate, may, in his discretion, reveal information when such communication is not inconsistent with the proper administration of this title.

B. Notwithstanding the provisions of subsection A, the Commission shall, on a reimbursable basis, furnish wage and unemployment compensation information contained in its records to the Secretary of Health and Human Services and the Division of Child Support Enforcement of the Department of Social Services for their use as necessary for the purposes of the National Directory of New Hires established under § 453(i) of the Social Security Act.

C. Notwithstanding the provisions of subsection A, the Commission shall, upon written request, furnish:

1. Any agency or political subdivision of the Commonwealth, or its designated agent, such information as it may require for the purpose of collecting fines, penalties, and costs owed to the Commonwealth or its political subdivisions. Such arrangements may set forth terms whereby the potential right to benefits accumulated under the unemployment compensation laws of one or more states or under such a law of the federal government, or both, may constitute the basis for the payment of benefits through a single appropriate agency of any state under terms which the Commission finds will be fair and reasonable as to all affected interests and will not result in any substantial loss to the fund.

B. Subject to the approval of the Governor, the Commission is also authorized to enter into arrangements with the appropriate agencies of other states or of the federal government:

Whereby wages or services, upon the basis of which an individual may become entitled to benefits under the unemployment compensation law of another state or of the federal government, shall be deemed to be wages for employment by employers for the purposes of §§ 60.2-602, 60.2-606, 60.2-607, 60.2-609, 60.2-610, 60.2-611, subdivision 1 of § 60.2-612 and §§ 60.2-614 through 60.2-617, provided such other state agency or agency of the federal government has agreed to reimburse the fund for such portion of benefits paid under this title upon the basis of such wages or services as the Commission finds will be fair and reasonable as to all affected interests; and

If, in the opinion of the Commission, the prosecution should be conducted by the Office of the Attorney General, that office, upon the request of the Commission, shall have authority to conduct or supervise such prosecution.

§ 60.2-120. Reimbursement of expenses of Office of Attorney General.
The compensation of the assistant attorneys general, together with their proper expenses incurred in the performance of their duties, shall be chargeable as administrative expense of the Commission and paid in the manner in which the compensation and expenses of employees of the Commission are paid.

Any nonprofit organization which becomes subject to this title may elect to become liable for payments in lieu of taxes for a period of not less than twelve months beginning with the date on which such subjectivity begins by filing a written notice of its election with the Commission not later than thirty days immediately following the date of the determination of such subjectivity.

3. Any nonprofit organization which makes an election in accordance with subdivision 1 or 2 of this subsection shall continue to be liable for payments in lieu of taxes until it files with the Commission a written notice terminating its election not later than thirty days prior to the beginning of the taxable year for which such termination shall first be effective.

4. Any nonprofit organization which has been paying taxes under this title may change to a reimbursable basis by filing with the Commission, not later than thirty days prior to the beginning of any taxable year, a written notice of election to become liable for payments in lieu of taxes. Such election shall not be terminable by the organization for that and the next year.

5. The Commission may for good cause extend the period within which a notice of election, or a notice of termination, shall be filed and may permit an election to be retroactive but not any earlier than January 1 of the current calendar year.

6. The Commission, in accordance with such regulations as it may prescribe, shall notify each nonprofit organization of any determination which it may make of its status as an employer and of the effective date of any election which it makes and of any termination of such election. Such determ-
inations shall be subject to reconsideration, appeal and review in accordance with the provisions of § 60.2-500.

C. Payments in lieu of taxes shall be made in accordance with the provisions of this subsection, including either subdivision 1 or 2.

1. a. At the end of each calendar quarter, or at the end of any other period as determined by the Commission, the Commission shall bill each nonprofit organization, or group of such organizations, which has elected to make payments in lieu of taxes for an amount equal to the full amount of regular benefits plus one-half of the amount of extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such organization.

   b. If the final adjudication of a disputed claim finds the claimant totally or partially ineligible for benefits, the nonprofit organization shall be liable for any bill resulting from payments made to the claimant during or prior to the appeal process, whether made by erroneous statutory interpretation, administrative error, or incorrect wage reporting.

2. a. Each nonprofit organization that has elected payments in lieu of taxes may request permission to make such payments as provided in this paragraph. Such method of payment shall become effective upon approval by the Commission.

   b. At the end of each calendar quarter, or at the end of such other period as determined by the Commission, the Commission shall bill each nonprofit organization for an amount representing one of the following:

   (1) One-tenth of one percent of its total payroll for the preceding calendar year.

   (2) Such percentage of its total payroll for the immediately preceding calendar year as the Commission shall determine. Such determination shall be based each year on the average benefit costs attributable to service in the employ of nonprofit organizations during the preceding calendar year.

   (3) For any organization which did not pay wages throughout the four calendar quarters of the preceding calendar year, such percentage of its payroll during such year as the Commission shall determine.

   c. At the end of each taxable year, the Commission may modify the quarterly percentage of payroll thereafter payable by the nonprofit organization in order to minimize excess or insufficient payments.

   d. At the end of each taxable year, the Commission shall determine whether the total of payments for such year made by a nonprofit organization is more or less than the total amount of regular benefits plus one-half of the amount of extended benefits paid to individuals during such taxable year based on wages attributable to service in the employ of such organization. Each nonprofit organization whose total payments for such year are less than the amount so determined shall be liable for payment of the unpaid balance to the fund in accordance with subdivision 3 of this subsection. If the total payments exceed the amount so determined for the taxable year, all or a part of the excess may, at the
discretion of the Commission, be refunded from the fund or retained in the fund as part of the payments which may be required for the next taxable year.

3. Payment of any bill rendered under subdivision 1 or 2 of this subsection shall be made not later than thirty days after such bill was mailed to the last known address of the nonprofit organization or was otherwise delivered to it, unless there has been an application for review and redetermination in accordance with subdivision 5 of this subsection.

4. Payments made by any nonprofit organization under the provisions of this subsection shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of the organization.

5. The amount due specified in any bill from the Commission shall be conclusive on the organization unless, not later than thirty days after the bill was mailed to its last known address or otherwise delivered to it, the organization files an appeal with the Commission, setting forth the grounds for such appeal. Proceedings on appeal to the Commission from the amount of a bill rendered under this subsection or a redetermination of such amount shall be in accordance with the provisions of § 60.2-500. The decision of the Commission shall be subject to the provisions of § 60.2-500.

6. Past-due payments of amounts in lieu of taxes shall be subject to the same interest and penalties that, pursuant to § 60.2-519, apply to past-due taxes.

§ 60.2-502. Bonding of nonprofit organizations.

A. In the discretion of the Commission, any nonprofit organization that elects to become liable for payments in lieu of taxes shall be required within thirty days after the effective date of its election (i) to execute and file with the Commission a surety bond approved by the Commission or (ii) to deposit with the Commission money or securities. The amount of such bond or deposit shall be determined in accordance with the provisions of this section.

B. The amount of the bond or deposit required by this section shall be a percentage, determined by the Commission, of the organization's taxable wages paid for employment as defined in subdivision 4 of subsection A of § 60.2-213 for the four calendar quarters immediately preceding the effective date of the election, the renewal date in the case of a bond, or the biennial anniversary of the effective date of election in the case of a deposit of money or securities, whichever date is most recent and applicable. If the nonprofit organization did not pay wages in each of such four calendar quarters, the amount of the bond or deposit shall be as determined by the Commission.

C. Any bond deposited under this section shall be in force for a period of not less than two taxable years and shall be renewed with the approval of the Commission, at such time as the Commission may prescribe, but not less frequently than at two-year intervals as long as the organization continues to be liable for payments in lieu of taxes. The Commission shall require adjustments to be made in a previously filed bond as it deems appropriate. If the bond is to be increased, the adjusted bond shall
be filed by the organization within thirty days of the date notice of the required adjustment was mailed or otherwise delivered to it. Failure by any organization covered by such bond to pay the full amount of payments in lieu of taxes when due, together with any applicable interest and penalties provided for in subdivision 6 of subsection C of § 60.2-501, shall render the surety liable on such bond to the extent of the bond, as though the surety was such organization.

D. Any deposit of money or securities made in accordance with this section shall be retained by the Commission in an escrow account until liability under the election is terminated, at which time it shall be returned to the organization, less any deductions as hereinafter provided. The Commission may deduct from the money deposited under this section by a nonprofit organization or sell the securities it has so deposited to the extent necessary to satisfy any due and unpaid payments in lieu of taxes and any applicable interest and penalties provided for in subdivision 6 of subsection C of § 60.2-501. The Commission shall require the organization within thirty days following any deduction from a money deposit or sale of deposited securities under the provisions of this subsection to deposit sufficient additional money or securities to make whole the organization's deposit at the prior level. Any cash remaining from the sale of such securities shall be a part of the organization's escrow account. The Commission may review the adequacy of the deposit made by any organization. If, as a result of such review, it determines that an adjustment is necessary, the organization shall be required to make additional deposit within thirty days of written notice of the determination or the Commission shall return to it such portion of the deposit as it no longer considers necessary, whichever action is appropriate. Disposition of income from securities held in escrow shall be governed by the applicable provisions of the state law.

E. If any nonprofit organization fails to file a bond or make a deposit, or to file a bond in an increased amount or to increase or make whole the amount of a previously made deposit, as provided under this subsection, the Commission may terminate such organization's election to make payments in lieu of taxes and such termination shall continue for not less than the four consecutive calendar quarter period beginning with the quarter in which such termination becomes effective; however, the Commission may extend for good cause the applicable filing, deposit or adjustment period by not more than thirty days.

§ 60.2-503. Authority to terminate elections.
If any nonprofit organization is delinquent in making payments in lieu of taxes as required under subsection C of § 60.2-501, the Commission may terminate such organization's election to make payments in lieu of taxes as of the beginning of the next taxable year, and such termination shall be effective for that and the next taxable year.

§ 60.2-504. Allocation of benefit costs.
If benefits paid to an individual are based on wages paid by more than one employer and one or more of such employers are liable for payments in lieu of taxes, the amount payable to the fund by each employer that is liable for such payments shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of his base period employers.

§ 60.2-505. Group accounts.
A. Two or more employers that have become liable for payments in lieu of taxes, in accordance with the provisions of § 60.2-501, may file a joint application to the Commission for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purposes of this section. Upon approval of the application, the Commission shall establish a group account for such employers effective as of the beginning of the calendar quarter in which it receives the application and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than two years and thereafter until terminated at the discretion of the Commission or upon application by the group.

B. Upon establishment of the account, each member of the group shall be liable for payments in lieu of taxes with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group as the total wages paid for service in employment by such member in such quarter bear to the total wages paid during such quarter for service performed in the employ of all members of the group.

C. The Commission shall prescribe such regulations as it deems necessary:

1. With respect to application for establishment, maintenance and termination of group accounts that are authorized by this section;

2. For addition of new members to, and withdrawal of active members from, such accounts; and

3. For the determination of the amounts that are payable under this section by members of the group and the time and manner of such payments.

§ 60.2-506. Financing of benefits to state employees.
A. The Commonwealth of Virginia shall have the option to:

1. Treat all of its branches of government and all of its instrumentalities as one employer;

2. Treat each branch of government, judicial, executive, and legislative, as an individual employer; or

3. Treat each of its instrumentalities as an individual employer.

4. The option described herein shall be exercised by the Governor.
B. If the option contained in subdivision 1 of subsection A of this section is exercised, the Commonwealth may elect to finance benefits to its employees by either taxes, as set forth in §§ 60.2-526 through 60.2-533, or payments in lieu of taxes.

C. If the option contained in either subdivision 2 or 3 of subsection A of this section is exercised, each such individual employer may elect to finance benefits to its employees by either taxes, as set forth in §§ 60.2-526 through 60.2-533, or payments in lieu of taxes.

D. If the election to make payments in lieu of taxes is exercised, payments shall be made into the fund in an amount equivalent to the amount of regular and extended benefits paid that is attributable to service in the employ of the Commonwealth. If benefits paid to an individual are based on wages paid by more than one employer and one or more employers are liable for payments in lieu of taxes, the amount payable to the fund by each employer that is liable for such payments shall be determined in accordance with the provisions of § 60.2-504.

E. Payments made in lieu of taxes by the Commonwealth into the Unemployment Trust Fund shall be made at such times and in such manner as the Commission may determine and prescribe.

§ 60.2-507. Financing of benefits to employees of governmental entities.

A. Any governmental entity which is an employer by virtue of subdivision 7 of subsection B of § 60.2-210 shall be permitted to join with one or more other governmental entities to form a joint account in accordance with regulations prescribed by the Commission.

B. Each governmental entity which is an employer by virtue of subdivision 7 of subsection B of § 60.2-210 and each joint account formed pursuant to subsection A of this section may elect to finance benefits to its employees by either taxes as set forth in §§ 60.2-526 through 60.2-533, or payments in lieu of taxes. Any such election to make payments in lieu of taxes shall be made in accordance with the provisions of subdivisions 1, 2 and 4 of subsection B of § 60.2-501. Termination of such election to make payments in lieu of taxes shall be made in accordance with subdivision 3 of subsection B of § 60.2-501.

C. If the election to make payments in lieu of taxes is exercised, payments shall be in an amount equivalent to the full amount of regular and extended benefits paid that is attributable to service in the employ of such governmental entity. If benefits paid to an individual are based on wages paid by more than one employer and one or more employers are liable for payments in lieu of taxes, the amount payable to the fund by each employer that is liable for such payments shall be determined in accordance with the provisions of § 60.2-504. Notwithstanding the provisions of this subsection, if the final adjudication of a disputed claim finds the claimant totally or partially ineligible for benefits, the governmental entity shall be liable for any payment made to the claimant during or prior to the appeal process, whether made by erroneous statutory interpretation, administrative error, or incorrect wage reporting.
D. Payments in lieu of taxes by governmental entities as set forth in this section shall be made at such times and in such manner as the Commission may determine and prescribe by regulation.

§ 60.2-507.1. Financing of benefits to employees of Indian tribes.
A. As used in this section, unless the context requires a different meaning:

"Employer" includes any Indian tribe for which service in employment as defined under this title is performed.

"Employment" includes service performed in the employ of an Indian tribe, as defined in § 3306(u) of the Federal Unemployment Tax Act (FUTA), provided such service is excluded from "employment" as defined in FUTA solely by reason of § 3306(c)(7) of FUTA, and is not otherwise excluded from "employment" under this title. For purposes of this section, any exclusions from employment in § 60.2-219 that relate to services performed in the employ of state or local government shall be applicable to services performed in the employ of an Indian tribe.

"Tribal units" means subdivisions, subsidiaries, or business enterprises wholly owned by an Indian tribe.

B. Benefits based on service included in the definition of employment as provided in subsection A shall be payable in the same amount, on the same terms, and subject to the same conditions as benefits payable on the basis of other service subject under this title.

C. Indian tribes or tribal units subject to this title shall pay taxes as set forth in §§ 60.2-526 through 60.2-533 under the same terms and conditions as all other subject employers, unless they elect to pay into the fund amounts equal to the amount of benefits attributable to service in the employ of the Indian tribe.

D. Indian tribes that elect to make payments to reimburse the fund for benefits paid shall make such election in the same manner and under the same conditions as provided in subsection C of § 60.2-507 pertaining to governmental entities that elect to make payments in lieu of taxes. Indian tribes shall determine if reimbursement for benefits paid will be elected by the tribe as a whole, by individual tribal units, or by combinations of individual tribal units.

E. Indian tribes or tribal units that elect to make payments in lieu of taxes shall be billed for the full amount of benefits attributable to service in the employ of the Indian tribe or tribal unit on the same schedule as nonprofit organizations that have elected to make payments in lieu of taxes as provided in § 60.2-501.

F. At the discretion of the Commission, any Indian tribe or tribal unit that elects to become liable for payments in lieu of taxes shall be required within 30 days after the effective date of its election (i) to execute and file with the Commission a surety bond approved by the Commission or (ii) to deposit with the Commission money or securities on the same basis as nonprofit organizations that are required to post a bond or deposit pursuant to § 60.2-502.
G. Failure of the Indian tribe or tribal unit to make any required payment, including any assessment of interest and penalty, within 90 days of its due date shall cause the Indian tribe to lose the option to make payments in lieu of taxes, as provided in subsection C, for the following tax year unless payment in full is received before tax rates for next tax year are computed.

H. Any Indian tribe that loses the option to make payments in lieu of taxes due to late payment or non-payment, as described in subsection G, shall have such option reinstated if, after a period of one year, all taxes have been made timely, provided that no taxes, payments in lieu of taxes for benefits paid, penalties or interest remain outstanding.

I. Failure of the Indian tribe or any tribal unit thereof to make required payments, including assessments of interest and penalty, after all collection activities deemed necessary by the Commission have been exhausted, shall cause services performed for such tribe to not be treated as "employment" as provided in subsection A.

J. The Commission may determine that any Indian tribe that loses coverage under subsection I may have services performed for such tribe again included as "employment" as provided in subsection A if all taxes, payments in lieu of taxes, penalties, and interest have been paid.

K. The Commission shall notify the United States Internal Revenue Service and the United States Department of Labor of any termination or reinstatement of coverage made under subsection I or subsection J.

L. Notices of payment and reporting delinquency to Indian tribes or their tribal units shall include information that failure to make full payment within the prescribed time frame:

1. Shall cause the Indian tribe to be liable for taxes under FUTA;

2. Shall cause the Indian tribe to lose the option to make payments in lieu of taxes; and

3. May cause the Indian tribe to be excepted from the definition of "employer," as provided in subsection A, and services in the employ of the Indian tribe, as provided in subsection A, to be excepted from "employment."

M. Extended benefits paid that are attributable to service in the employ of an Indian tribe and not reimbursed by the federal government shall be financed in their entirety by such Indian tribe.

2008, cc. 100, 247.

§ 60.2-508. Period of coverage generally; account required.
Any employing unit which is or becomes an employer subject to this title within any calendar year shall be subject to this title during the whole of such calendar year. Any such employing unit shall establish an account with the Commission by the end of the calendar quarter in which it becomes subject to this title.

Code 1950, § 60-82; 1968, c. 738, § 60.1-98; 1986, c. 480; 2020, c. 1261.

§ 60.2-509. Termination of coverage.
A. Except as otherwise provided in this section and § 60.2-510, an employing unit shall cease to be an employer subject to this title as of January 1 of any year subsequent to December 31, 1972, only if:

1. The employer files with the Commission a written application for termination of coverage;

2. The Commission finds that (i) there were no twenty different days, each day being in a different week within the preceding calendar year, or (ii) there were no twenty different days, each day being in a different week within the current calendar year, within which such employing unit employed one or more individuals in employment subject to this title; and

3. The Commission finds that such employing unit did not pay in any calendar quarter in the preceding or current calendar year for service in employment wages of $1,500 or more.

B. Except as otherwise provided in this section and § 60.2-510, an employing unit as defined in subdivisions 1 through 4 of subsection A of § 60.2-213 or § 60.2-214 or § 60.2-215, shall cease to be an employer subject to this title as of January 1 of any year, only if it files with the Commission a written application for termination of coverage and the Commission finds that no services performed for such employing unit constitute employment as defined in subdivisions 1 through 4 of subsection A of § 60.2-213 or § 60.2-214 or § 60.2-215.

C. Any employing unit which is an employer at the end of any calendar year solely by acquisition during such year as provided in subdivision 1 of subsection B of § 60.2-210, shall cease to be an employer subject to this title as of January 1 of the succeeding calendar year without the filing of the written application required of all other employers, if the Commission finds that there were no twenty different days, each day being in a different week within the preceding or current calendar year that such employing unit and its predecessors in title, treated as a single employing unit:

1. Employed one or more individuals subject to this title; and

2. Did not pay in any calendar quarter in the preceding or current calendar year for service in employment wages of $1,500 or more.

D. Whenever any employer, during any completed calendar year, fails to be subject to the payment of taxes solely because no individual has earned wages from such employer during such calendar year, the Commission may, after not less than thirty days’ notice in writing mailed to such employer at his last known address, cause such employer to cease to be an employer subject to this title as of January 1 of the calendar year in which such notice is given.

§ 60.2-510. Election as to coverage.

A. Any employing unit, not otherwise subject to this title, which files with the Commission its written election to become an employer subject to this title for not less than two calendar years, shall, with the written approval of the Commission, become an employer subject to this title to the same extent as all other employers. Such employer shall be subject as of January 1 of the calendar year for which such
election is approved, and shall cease to be subject as of January 1 of any calendar year subsequent to such two calendar years if it has filed with the Commission a written notice to that effect. However, the Commission may, on its own motion, and after ten days' written notice mailed to such employing unit at its last known address, without regard to the two-year calendar period, revoke such written approval. As of the date of such revocation, such employing unit shall cease to be an employer.

B. Any employing unit for which services are performed which do not constitute employment as defined in this title may file with the Commission a written election that all such services performed by individuals in its employ in one or more distinct establishments or places of business shall be deemed to constitute employment for all the purposes of this title for not less than two calendar years. Upon the Commission's written approval, such services shall be deemed to constitute employment subject to this title from the date stated in such approval. Such services shall cease to be deemed employment subject thereto as of January 1 of any calendar year subsequent to such two calendar years, only if at least thirty days prior to such January 1 such employing unit has filed with the Commission a written notice to that effect.

**Article 2 - EMPLOYER REPORTING REQUIREMENTS**

§ 60.2-511. How and when taxes payable.
Taxes, as set forth in this and the succeeding article, shall accrue and become payable by each employer for each calendar year in which he is subject to this title. Such taxes shall be based upon wages payable for employment, as defined in §§ 60.2-212 through 60.2-219, occurring in such calendar year. Such taxes shall become due and be paid by each employer to the Commission for the fund in accordance with such regulations as the Commission may prescribe. Payment of such taxes and the filing of related returns shall be deemed to have been made as of the date of the postmark affixed to such payment and returns by the United States Postal Service, or by receipt given by such representative of the Commission if physical delivery of such payment and related returns is made to an office of the Commission.

Code 1950, § 60-60; 1968, c. 738, § 60.1-72; 1974, c. 466; 1986, c. 480; 1997, c. 137.

§ 60.2-512. Requiring payroll and tax reports and payment of taxes.
A. The Commission is hereby expressly authorized to require the filing of payroll and tax reports, and the payment of the taxes required by § 60.2-511 in monthly, quarterly, semiannual or annual payments as shall be determined by the Commission; however, if the due date for filing of reports or payment of taxes falls on a Saturday, Sunday or legal holiday, the due date shall be extended to the next business day that is not a Saturday, Sunday or legal holiday. Beginning January 1, 2013, employers may file payroll and tax reports, and pay the taxes required by § 60.2-511, annually, in the time, form and manner prescribed by the Commission, if the employment that is the subject of the report of taxes due under this chapter consists exclusively of domestic service in a private home of the employer, as
defined in §§ 31.3121 (a)(7)-1, 31.3306 (c)(2)-1, and 31.3401 (a)(3)-1 of the Employment Tax Regulations promulgated pursuant to §§ 3121, 3306, and 3401 of the Internal Revenue Code, as amended. The aggregate amount of taxes shall be fully paid to the Commission on or before January 31 of each year next succeeding the year with respect to employment during which year such taxes are imposed, or in the event the time is extended for filing the return of the taxes imposed by Title IX of the Social Security Act for the year for which such taxes are imposed, then before the expiration of such extension. Taxes due and payable in an amount less than five dollars shall be deemed to be fully paid; however, this does not relieve an employer from filing payroll and tax reports as herein required.

B. Beginning January 1, 2021, all employers shall file quarterly reports on an electronic medium using a format prescribed by the Commission. Waivers will be granted only if the Commission finds this requirement creates an unreasonable burden on the employer. All requests for waiver must be submitted in writing. Beginning January 1, 2021, if any employer who has not obtained a waiver by the date the employer's quarterly report is due, fails, without good cause shown, to file electronically, the Commission shall assess upon the employer a penalty of $75, which penalty shall be in addition to the taxes due and payable with respect to such report and to any penalty assessed under subsection B of § 60.2-513. Penalties collected pursuant to this section shall be paid into the Special Unemployment Compensation Administration Fund established pursuant to § 60.2-314.

C. Notwithstanding the provisions of subsection A, no payroll and tax reports shall be filed with respect to an employee of a state or local agency performing intelligence or counterintelligence functions, if the head of such agency has determined that filing such a report could endanger the safety of the employee or compromise an ongoing investigation or intelligence mission.

§ 60.2-513. Failure of employing unit to file reports; assessment and amount of penalty.
A. If any employing unit fails to file with the Commission any report which the Commission deems necessary for the effective administration of this title within 30 days after the Commission requires the same by written notice mailed to the last known address of such employing unit, the Commission may determine on the basis of such information as it may have whether such employing unit is an employer, unless such determination has already been made. Also, on the basis of such information, the Commission may assess the amount of tax due from such employer and shall give written notice of such determination and assessment to such employer. Such determination and assessment shall be final (i) unless such employer, within 30 days after the mailing to the employer at his last known address or other service of the notice of such determination or assessment, applies to the Commission for a review of such determination and assessment or (ii) unless the Commission, on its own motion, sets aside, reduces or increases the same.

B. If any employer had wages payable for a calendar quarter and fails, without good cause shown, to file any report as required of him under this title with respect to wages or taxes, the Commission shall
assess upon the employer a penalty of $100, which shall be in addition to the taxes due and payable with respect to such report.

C. For the purposes of this subsection, "newly covered" refers to the time at which an employer initially becomes subject to liability under the provisions of this title. A newly covered employer shall file by the due date of the calendar quarter in which such employer becomes subject to liability under the provisions of this title. If such employer’s report is not filed by that date, and in the absence of good cause shown for the failure to so file, a $100 penalty shall be assessed for each report. Penalties collected pursuant to this section shall be paid into the Special Unemployment Compensation Administration Fund.

§ 60.2-514. Limitation on proceeding to establish liability for taxes.
No suit or proceeding for the purpose of establishing liability for taxes under this chapter shall be begun for any period occurring more than three years prior to January 1 of the year within which such suit or proceeding is instituted. However, this section shall not apply in any case of willful attempt in any manner to defeat or evade the payment of any contributions due under this chapter. A proceeding shall be deemed to have been instituted or begun upon the date of issuance of an order by the Commission directing a hearing to be held to determine liability or nonliability, under this chapter, of an employing unit, or upon the date notice of the establishment of liability is mailed to the last known address of the employing unit. The order or notice mentioned herein shall be deemed to have been issued on the date such order or notice is mailed to the last known address of the employing unit.

1968, c. 9, §§ 60-62.1, 60.1-74.1; 1977, c. 445; 1986, c. 480.

§ 60.2-515. Amount of taxes; increase of rate.
Each employer shall pay taxes equal to the following percentages of wages payable by him with respect to employment:

1. Except as otherwise provided in Article 4 (§ 60.2-525 et seq.) of this chapter, 6.2 percent with respect to employment during the calendar year. Wages payable beyond the last pay period in December shall be considered as wages payable in the first pay period of the succeeding year, and included in reports required for the first reporting period of such year.

2. If the Federal Unemployment Tax Act is at any time amended to permit a higher maximum rate of credit against the federal tax now levied under § 3301 of the Internal Revenue Code than the credit that is now permitted under § 3302 of the Internal Revenue Code, to an employer with respect to any state unemployment compensation law whose standard tax rate on payroll under such law is more than 5.4 percent, the standard tax rate for all employers under this title shall, by Commission rule promulgated under § 60.2-111, be increased from 5.4 percent on wages to that percentage on wages which corresponds to the higher maximum rate of credit thus permitted against the federal unem-
ployment tax. Such increase shall become effective on the same date as such higher maximum rate of credit becomes permissible under such federal amendment.

3. If the Federal Unemployment Tax Act is at any time amended to increase the rate of excise tax each employer pays for employing individuals, the Commission may, by rules promulgated under § 60.2-111, increase the rate of taxes under this title to the rate which corresponds to the highest maximum rate of credit permitted against such higher federal unemployment excise tax. Such increase shall become effective on the same date as such higher rate of federal unemployment excise tax becomes effective.

§ 60.2-516. Taxes and payments in lieu of taxes not deducted from wages.
Taxes imposed by this title and payments by employers in lieu of taxes shall not be deducted, in whole or in part, from the wages of individuals employed by any employer.

§ 60.2-517. How fractional part of cent computed.
In the payment of any such taxes, a fractional part of a cent shall be disregarded, unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

§ 60.2-518. False statements, etc., by employing units; failure to furnish reports, etc.
A. Any employing unit or any officer or agent of an employing unit or any other person shall be guilty of a Class 1 misdemeanor if it or he:

1. Makes a false statement or representation knowing it to be false, or who knowingly fails to disclose a material fact (i) to prevent or reduce the payment of benefits to any individual entitled thereto, (ii) to avoid becoming or remaining subject to this title or (iii) to avoid or reduce any tax or other payment required from an employing unit under this title; or

2. Willfully fails or refuses (i) to furnish any reports required by this title or (ii) to produce or permit the inspection or copying of records as required hereunder.

B. Each such false statement, representation or failure to disclose a material fact listed in this section, and each day of such failure or refusal shall constitute a separate offense.

Code 1950, § 60-113; 1968, c. 738, § 60.1-130; 1986, c. 480.

**Article 3 - COLLECTION OF TAXES**

§ 60.2-519. Interest on past-due taxes.
Taxes unpaid on the date on which they are due and payable, as prescribed by the Commission pursuant to § 60.2-511, shall bear interest at the rate of one and one-half percent per month from and after such date until payment plus accrued interest is received by the Commission. Interest collected
pursuant to this article shall be paid into the Special Unemployment Compensation Administration Fund continued by § 60.2-314.

§ 60.2-519.1. Bad check charge.
Any check submitted for payment of taxes due as prescribed by § 60.2-511, which is dishonored by the payer, shall bear a bad check charge of twenty-five dollars. Charges collected pursuant to this section shall be paid into the Special Unemployment Compensation Administration Fund established by § 60.2-314.

1987, c. 114.

§ 60.2-519.2. Service charge for payment of taxes by certain means.
If the Commission accepts a form of payment by a means that incurs a charge, the Commission shall add that charge to such payment as described in subsection B of § 2.2-614.1.

§ 60.2-520. Taxes which accrued while employer was in armed forces.
No interest shall be assessed against or collected from any employer upon any taxes which accrued against such employer during the period of active service of such employer in the armed forces of the United States. Any proof of such service satisfactory to the Commission shall be sufficient. Any such employer who has already paid to the Commission any interest on taxes which would have been abated under this provision shall be entitled to a refund for the amount of interest so paid upon the filing of an application therefor.

Code 1950, § 60-77.1; 1952, c. 184; 1968, c. 738, § 60.1-93; 1986, c. 480.

§ 60.2-521. Collection by civil action; persons subject to civil actions; other remedies; compromise and adjustment.
If, after notice, any employer defaults in any payment of taxes or payment in lieu of taxes or interest or any penalty assessed pursuant to subsection C of § 60.2-501 and § 60.2-513, the amount due shall be collected by civil action in the name of the Commission. The employer adjudged in default shall pay the fees and costs of such action. Civil actions brought under this article to collect taxes or interest or any penalty from an employer shall be heard by the court at the earliest possible date. Such civil actions may be brought against any officer, employee, or agent of a corporation or partnership in his individual, personal capacity when that person willfully fails to cause the employer to pay the appropriate taxes and he had the authority to do so. No person shall be subject to this section unless it is proved (i) that such person had knowledge of the failure or attempt to make such payment and (ii) that such person had authority to prevent such failure or attempt. In addition to the foregoing remedies the Commission shall have such other remedies as are available to the State Tax Commissioner and county and city treasurers for the collection of taxes generally. The Commission is authorized to compromise, settle and adjust any tax or taxes, including interest, or any penalty assessed against any employer where in the judgment of the Commission the best interests of the Commonwealth will be
promoted or served. The Commission may in such cases accept in full settlement of the tax assessed an amount less than that assessed.

§ 60.2-522. Injunction.
When an unsatisfied execution has been returned by an officer, and the employer against whom the judgment has been obtained on which the execution was issued continues in default of payment of taxes, or any portion thereof, such employer may be enjoined from operating and doing business in this Commonwealth until such taxes have been paid. The Circuit Court of the City of Richmond shall have exclusive original jurisdiction to grant such injunction upon the complaint of the Commission. Notice of the time and place when the application for the injunction will be made shall be served on the employer, and a copy of the bill of complaint shall be served with the notice.

Code 1950, § 60-79; 1968, c. 738, § 60.1-95; 1986, c. 480.

§ 60.2-523. Priorities under legal dissolutions or distributions.
A. 1. In the event of any distribution of an employer's assets, taxes, interest and penalty then or thereafter due shall be a lien against such assets, prior to all claims of lien and general creditors. Taxes accruing by reason of an employment for an employer who is a receiver, trustee or other fiduciary shall be a lien against all the assets in the custody or control of such receiver, trustee or other fiduciary, prior and paramount to all other claims of lien and general creditors.

2. Nothing in this article shall be construed in derogation of any prior lien of the Commonwealth or any of its political subdivisions, nor any mortgage, deed of trust or other lien duly perfected prior to the date the taxes or any part thereof first accrued. However, no such lien in favor of the Commonwealth or any of its subdivisions, nor any mortgage, deed of trust or other lien shall in any case be preferred, paramount or prior to the lien for taxes due by any such receiver, trustee or other fiduciary upon payrolls earned in the employment of such receiver, trustee or other fiduciary.

B. 1. Any taxes, interest or penalty imposed by this chapter shall be a lien upon the assets of the business of any employer, subject to this chapter's provisions, who leases, transfers or sells out his business, or ceases to do business. Such employer shall be required, by the next reporting date as prescribed by the Commission, to file with the Commission all reports and pay all taxes due with respect to wages payable for employment up to the date of such lease, transfer, sale or cessation of the business. Such employer's successor in business shall be required to withhold sufficient of the purchase money to cover the amount of the taxes due and unpaid until such time as the former owner or employer produces a receipt from the Commission showing that the taxes have been paid, or produces a certificate from the Commission that no taxes are due.

2. If the purchaser of a business or successor of such employer fails to withhold purchase money or any money due to such employer in consideration of a lease or other transfer and the taxes are due and unpaid after the next reporting date, as set forth in subdivision 1 of this subsection, such
successor shall be personally liable to the extent of the assets of the business so acquired for the payment of the taxes accrued and unpaid on account of the operation of the business by the former owner or employer.

3. Whenever the purchaser or successor of such employer files with the Commission a written request for a statement showing the amount of any tax due by such employer, unless such statement is furnished to such purchaser or successor within ninety days from the date such written request was filed, such purchaser or successor shall not be liable for any tax or taxes due by such employer, and the lien created by this section shall thereupon be released and discharged.

§ 60.2-524. Refunds.
A. If within three years after the date on which any taxes or interest are paid an employing unit which paid such taxes or interest applies (i) for adjustment in connection with subsequent tax payments, or (ii) for a refund thereof because such adjustment cannot be made, and the Commission determines that such taxes or interest or any portion thereof was erroneously collected, or within sixty days from the final determination of any change or correction in the liability of the employing unit for any tax payable under this chapter, whichever is later, subject to the availability of Commission records, the Commission shall allow such employing unit to make an adjustment, without interest, in connection with subsequent tax payments by it. If such adjustment cannot be made, the Commission shall refund the amount, without interest, from the fund. For like cause and within the same period, an adjustment or refund may be so made on the Commission's own initiative.

B. Where the Commission finds upon satisfactory proof that any employing unit has erroneously paid to this Commonwealth taxes or interest upon wages earned by individuals in employment in another state, or under the provisions of the Federal Railroad Unemployment Insurance Act, a refund or adjustment shall be made, without interest, and without regard to the due date.

C. Where the Commission finds that an instrumentality of the United States has paid to this Commonwealth taxes or interest upon wages for any year with respect to which this Commonwealth is not certified by the Secretary of Labor of the United States under § 3304 of the Internal Revenue Code, a refund shall be made to such instrumentality, without interest, and without regard to the date of payment.

Article 4 - COMPUTATION OF TAX RATE

§ 60.2-525. Statement of employer's benefit charges and taxes.
The Commission, by December 31 every year, shall provide every covered employer with a statement of the employer's benefit charges and taxes for the preceding fiscal year. For any period in which benefit charges are not available, benefit charges shall be calculated as provided in § 60.2-530.

1981, c. 606, § 60.1-40.1; 1986, c. 480; 2003, c. 382.
§ 60.2-526. General provisions.
A. For each calendar year commencing after December 31, 1981, the tax rate of each employer, whose experience rating account has been chargeable with benefits during the most recent twelve completed calendar month period ending on June 30 of the calendar year immediately preceding the calendar year for which a tax rate is being determined, shall be computed as provided in this chapter.

B. Notwithstanding the provisions of subsection A of this section, the tax rate of each employer newly subject to this title, including any nonprofit organization which has elected to become liable for payments in lieu of taxes under the provisions of subsection B of § 60.2-501 and thereafter terminates such election, shall be 2.5 percent, except that at such time as it is eligible for computation as hereinafter provided, the tax rate shall become the computed rate. The Commission shall notify each such employer of his tax rate for such calendar year not later than December 31 immediately preceding such year, but the failure of any such employer to receive such notice shall not relieve him from liability for such tax.

§ 60.2-527. Tax rate of certain foreign contractors.
A. For each calendar year, the tax rate of each foreign contractor doing business in Virginia shall be the maximum rate allowable by law for three years. At the end of the three-year period, such employer shall be eligible for the computed rate as provided in § 60.2-530.

B. As used in this section, "foreign contractor" means (i) an out-of-state "contractor" as defined in § 54.1-1100 or (ii) an out-of-state "highway contractor" engaged in the type of contracting activities referred to in § 33.2-1106, who does not maintain a principal place of business in Virginia as determined by the Commission, except that such employer need not be a member of any highway contractors association. Such determination by the Commission shall be final and not subject to judicial review.

1982, c. 200, § 60.1-79.1; 1984, c. 468; 1986, c. 480.

§ 60.2-528. Individual benefit charges.
A. An individual's "benefit charges" shall be computed in the following manner:

1. For each week benefits are received, a claimant's "benefit charges" shall be equal to his benefits received for such week.

2. For each week extended benefits are received, pursuant to § 60.2-610 or 60.2-611, a claimant's "benefit charges" shall be equal to one-half his benefits received for such week. However, a claimant's "benefit charges" for extended benefits attributable to service in the employ of a governmental entity referred to in subdivisions 1 through 3 of subsection A of § 60.2-213 shall be equal to the full amount of such extended benefit.
3. For each week partial benefits are received, the claimant's "benefit charges" shall be computed (i) in the case of regular benefits as in subdivision 1 of this subsection, or (ii) in the case of extended benefits as in subdivision 2 of this subsection.

B. 1. The employing unit from whom such individual was separated, resulting in the current period of unemployment, shall be the most recent employing unit for whom such individual has performed services for remuneration (i) during 30 days, whether or not such days are consecutive, or (ii) during 240 hours. If such individual's unemployment is caused by separation from an employer, such individual's "benefit charges" for such period of unemployment shall be deemed the responsibility of the last employer for (i) 30 days or (ii) 240 hours prior to such period of unemployment.

2. Any employer charged with benefits paid shall be notified of the charges quarterly by the Commission. The amount specified shall be conclusive on the employer unless, not later than 30 days after the notice of benefit charges was mailed to its last known address or otherwise delivered to it, the employer files an appeal with the Commission, setting forth the grounds for such an appeal. Proceedings on appeal to the Commission regarding the amount of benefit charges under this subsection or a redetermination of such amount shall be in accordance with the provisions of § 60.2-500. The decision of the Commission shall be subject to the provisions of § 60.2-500. Any appeal perfected pursuant to the provisions of this section shall not address any issue involving the merits or conditions of a claimant's separation from employment.

C. No "benefit charges" shall be deemed the responsibility of an employer of:

1. An individual whose separation from the work of such employer arose as a result of a violation of the law by such individual, which violation led to confinement in any jail or prison;

2. An individual who voluntarily left employment in order to accept other employment, genuinely believing such employment to be permanent;

3. An individual with respect to any weeks in which benefits are claimed and received after such date as that individual refused to accept an offer of rehire by the employer because such individual was in training with approval of the Commission pursuant to § 60.2-613;

4. An individual who voluntarily left employment to enter training approved under § 236 of the Trade Act of 1974 (19 U.S.C. § 2296 et seq.);

5. An individual hired to replace a member of the Reserve of the United States Armed Forces or the National Guard called into active duty in connection with an international conflict and whose employment is terminated concurrent with and because of that member's return from active duty;

6. An individual who left employment voluntarily with good cause due to a personal bona fide medical reason caused by a non-job-related injury or medical condition;

7. An individual participating as an inmate in (i) state or local work release programs pursuant to § 53.1-60 or 53.1-131; (ii) community residential programs pursuant to §§ 53.1-177, 53.1-178, and 53.1-
or (iii) any similar work release program, whose separation from work arose from conditions of release or parole from such program;

8. An individual who was unable to work at his regular employment due to a disaster for which the Governor, by executive order, has declared a state of emergency, if such disaster forced the closure of the employer's business. In no case shall more than four weeks of benefit charges be waived; or

9. An individual who leaves employment to accompany his spouse to the location of the spouse's new duty assignment if (i) the spouse is on active duty in the military or naval services of the United States; (ii) the spouse's relocation to a new military-related assignment is pursuant to a permanent change of station order; (iii) the location of the spouse's new duty assignment is not readily accessible from the individual's place of employment; and (iv) the spouse's new duty assignment is located in a state that, pursuant to statute, does not deem a person accompanying a military spouse as a person leaving work voluntarily without good cause.

§ 60.2-528.1. Charging of benefits relating to certain overpayments; penalty for pattern of failure to respond to requests for information.
A. As used in this section, unless the context requires a different meaning:

"Employer," with regard to the timeliness and adequacy of responses, includes an agent of the employer used by the employer to respond to the Commission on the employer's behalf; however, an employer's agent's failure to respond timely or adequately to requests for information with regard to claims involving the agent's other clients shall not be used in determining whether the employer has established a pattern of failing to respond timely or adequately to written requests for information.

"Erroneous payment" means a payment of benefits under this title made prior to a determination by the Commission that the claimant is not eligible or qualified for the benefits paid.

"Information relating to a claim" means information material to a determination or decision by the Commission relating to the payment of benefits under this title, including separation information and information required by the Commission for the establishment of a claim for compensation and information about wages, days, and hours worked.

"Review period" means the 48 consecutive calendar month period ending on the June 30 that precedes the Commission's next annual calculation of the employer's benefit ratio pursuant to subdivision A 1 a of § 60.2-530.

"Written request" includes a request sent electronically.
B. An employer’s account shall not be relieved of charges relating to an erroneous payment if the Commission determines that:

1. The erroneous payment was made because the employer failed to respond timely or adequately to a written request by the Commission for information relating to the claim; and

2. The employer has established a pattern of failing to respond timely or adequately to written requests by the Commission for information relating to claims.

C. For purposes of this section, an employer's response to a written request by the Commission for information relating to a claim shall be deemed not to be:

1. "Adequate" if it fails to provide sufficient material facts to enable the Commission to make a correct determination regarding a claim for benefits; however, (i) a response shall not be deemed inadequate if the Commission failed to request the necessary information or if information is provided in a format other than as requested, provided that the information is capable of being read by the recipient, and (ii) there shall be a rebuttable presumption that an employer that participates in a fact-finding interview or responds fully to the questions set out on the written request for information has provided an adequate response; or

2. "Timely" if it is not made within 10 calendar days after the delivery or mailing of the Commission's request for information.

D. An employer shall be deemed to have established a pattern of failing to respond timely or adequately to written requests for information relating to claims if the Commission determines that the employer has failed to respond timely or adequately to a written request for information relating to a claim on four or more occasions within the applicable review period. The Commission shall not find that an employer has established a pattern of failing to respond timely or adequately to written requests for information relating to claims unless the Commission has provided the employer with the notices required pursuant to subsection E.

E. The Commission shall provide the employer with a written notice following the employer's first, second, and third determinations that the employer failed to respond timely or adequately to a written request for information relating to a claim within the applicable review period. Each such notice shall be delivered or mailed to the employer's last known address of agency record and shall advise the employer of the potential implications of the employer's failure to respond timely or adequately to written requests for such information.

F. Upon the Commission's third determination within the applicable review period that an employer failed to respond timely or adequately to a written request for information relating to a claim, the Commission shall assess upon the employer a civil penalty of $75. A copy of the notice of assessment of a civil penalty shall be delivered or mailed to the employer with the notice of the employer's third such failure as required pursuant to subsection E. Civil penalties collected pursuant to this subsection shall be paid into the Special Unemployment Compensation Administration Fund established pursuant to §
60.2-314. The Commission may compromise, settle, and adjust any such penalty as authorized by § 60.2-521.

G. An employer shall not be found to have failed to respond timely or adequately to a written request by the Commission for information relating to a claim if the Commission finds good cause for such failure. The Commission may not find good cause for an employer's failure to respond timely or adequately to such a written request unless the failure is due to compelling and necessitous circumstances beyond the employer's control.

H. If the Commission has determined that an employer has established a pattern of failing to respond timely or adequately to written requests for information relating to claims, such determination shall remain in effect until the end of the applicable review period. Any benefit charges for an erroneous payment that the Commission has determined are not to be relieved from the employer's account pursuant to subsection B shall remain chargeable to the employer's account through the period ending on the fourth June 30 following the Commission's determination.

I. The issue of whether an employer's account shall be relieved of charges relating to an erroneous payment, including whether an erroneous payment was made because the employer failed to respond timely or adequately to a written request by the Commission for information relating to the claim, shall be decided in every Commission proceeding arising from an employer's appeal of an award of benefits. Any such decision shall be subject to appeal pursuant to § 60.2-620. Final decisions shall be used in determining whether the employer has established a pattern of failing to respond timely or adequately to written requests for information relating to claims, whether the employer is subject to a civil penalty pursuant to subsection F, and whether the Commission has given the notices required pursuant to subsection E.

J. The costs of benefits charged to any governmental entity, Indian tribe, or nonprofit entity that is a reimbursable employing unit under this title shall not include any credits of benefit overpayments actually collected by the Commission if the Commission finds that the overpayment was made because the entity or its agent was at fault for failing to respond timely or adequately to a written request for information relating to a claim and the entity or agent has established a pattern of failing to respond timely or adequately to such requests.

K. If the erroneous payment results from a combined-wage claim, the determination of noncharging for the combined-wage claim shall be made by the paying state. If the response from the employer does not meet the criteria established by the paying state for an adequate or timely response, the paying state shall promptly notify the transferring state of its determination, and the employer shall be appropriately charged.

L. This section applies to erroneous payments established on or after July 7, 2013.

2013, c. 771.

§ 60.2-529. Employer's benefit charges.
Any employer's benefit charges for a given calendar year shall be the total of the "benefit charges" which, pursuant to the provisions of § 60.2-528, are deemed to be the responsibility of such employer.

Code 1950, § 60-69; 1954, c. 203; 1962, c. 6; 1964, c. 3; 1968, c. 738, § 60.1-81; 1974, c. 466; 1977, c. 330; 1981, c. 606; 1986, c. 480.

§ 60.2-530. Benefit ratio.
A. 1. The "benefit ratio" of each employer for a given calendar year shall be the percentage, rounded to the nearest one-tenth of a percent, equal to the employer's benefit charges for the 12 consecutive calendar month period ending on June 30 immediately preceding that calendar year, divided by the total of his payroll for the same period except that:

a. For an employer whose account has been chargeable with benefit charges for 48 or more consecutive completed calendar months, the "benefit ratio" shall be the percentage, rounded to the nearest one-tenth of a percent, equal to the employer's benefit charges for the most recent 48 consecutive completed calendar month period ending on June 30 immediately preceding that calendar year, divided by the total of his payrolls for the same period; and

b. For an employer whose account has been chargeable with benefit charges for 36 but less than 48 consecutive completed calendar months the "benefit ratio" shall be the percentage equal to the employer's benefit charges for the most recent 36 consecutive completed calendar month period ending on June 30 immediately preceding that calendar year divided by his payroll for the same period;

c. For an employer whose account has been chargeable with benefit charges for 24 but less than 36 consecutive completed calendar months the "benefit ratio" shall be the percentage, rounded to the nearest one-tenth of a percent, equal to the employer's benefit charges for the most recent 24 consecutive completed calendar month period ending on June 30 immediately preceding that calendar year divided by his payroll for the same period.

2. The term "payroll" as used in this section means the greater of (i) the taxable payroll on which taxes have been paid on or before September 30 immediately following such June 30 or (ii) $1.

B. Where benefit charges are not available for any or all of the periods used to determine an employer's benefit ratio, benefit wages divided by three shall be used in lieu of benefit charges for those periods benefit charges are not available, in combination with benefit charges, where available to determine an employer's benefit ratio.

§ 60.2-531. Experience rating tax; table.
Subject to the provisions of § 60.2-533, the experience rating tax rate for each employer for the calendar year 1982 and subsequent years shall be the percent in the column corresponding to the employer's benefit ratio, except that if the employer's benefit ratio exceeds 6.2 percent, the column
under 6.2 percent shall be the appropriate column, and in the line corresponding to the fund balance factor for the year pursuant to § 60.2-533.

1. Pool costs for a given calendar year shall be those costs defined in subdivision 2 of this subsection for the thirty-six consecutive calendar month period ending on June 30 immediately preceding that calendar year. The pool cost charge rate shall be pool costs divided by payrolls for such period.
2. Pool costs shall consist of (i) benefit charges which cannot be assigned to an individual employer pursuant to §§ 60.2-210, 60.2-212 through 60.2-219, or subsection C of § 60.2-528, or cannot be charged to an individual employer due to his becoming an inactive account pursuant to § 60.2-210 or § 60.2-509, (ii) the difference in the amount the Commission pays pursuant to subdivision 2 of subsection A of § 60.2-609 and the amount the Commission receives pursuant to subdivision 3 of subsection A of § 60.2-609, and (iii) the difference between the benefit charges of all employers with a maximum experience rating tax rate and the amount of the taxes resulting from applying the maximum experience rating tax rate against the payrolls of the same employers. The term "payrolls" as used in this section shall mean the taxable payroll on which taxes have been paid on or before September 30 immediately following such June 30.

3. When the fund balance factor for the most recent twelve-month period ending on June 30 of the immediately preceding calendar year is greater than fifty percent, interest earned on the balance which shall stand to the credit of the account of the Commonwealth of Virginia in the Unemployment Trust Fund in the treasury of the United States shall be subtracted from pool costs, except that in no instance shall pool costs be less than zero.

§ 60.2-533. Fund balance factor.
A. As of July 1 of each calendar year, a fund balance factor, rounded to the nearest one-tenth of a percent, shall be determined as follows:

The net assets which shall be compared with the "adequate balance" as determined in subsection B of this section, shall be comprised of the balance which shall stand to the credit of the account of the Commonwealth of Virginia in the Unemployment Trust Fund in the Treasury of the United States; amounts withdrawn therefrom but not expended; employer payments not yet transferred to such account; net employer taxes receivable; and amounts due from claimants and other states, minus payables due to claimants, employers, other funds of the Virginia Employment Commission, and other states. The resulting percent shall be termed the "fund balance factor," except that if the percent determined is less than fifty percent, the fund balance factor shall be fifty percent.

B. As of July 1 of each calendar year, the Commission shall determine the "adequate balance" for the trust fund as follows:

For the twenty-year period ending July 1 of the year of determination, the highest ratios of benefits divided by total wages of three separate consecutive four-quarter periods shall be averaged and multiplied by 1.38 to determine the fund adequacy multiplier. The fund adequacy multiplier shall be multiplied by the total wages for the year in question to determine the "adequate fund balance" for that year.

C. A fund building rate of two-tenths percent shall be added to all experience rating rates established pursuant to § 60.2-531, and to all assigned tax rates established pursuant to §§ 60.2-515, 60.2-526,
60.2-527 and 60.2-538, except that such rate shall not be applied if the fund balance factor determined pursuant to subsection A of this section exceeds fifty percent.

§ 60.2-535. Employing unit acquiring business, etc., of another employing unit.
A. Except as provided in subsection B, whenever any employing unit in any manner succeeds to or acquires the organization, trade, separate establishment or business, or substantially all the assets thereof, of another which at the time of such acquisition was an employer subject to this title, the succeeding or acquiring unit shall be assigned the experience record of the predecessor. Such record shall be deemed the experience record of the successor solely for rate computation purposes as of July 1 of the year in which the acquisition occurred. Such successor, unless already an employer subject to this title, shall, during the remainder of the current calendar year, be subject to the rate of taxation of the predecessor. If such successor is at the time of the acquisition an employer subject to this title, such successor's rate of tax to which it is then subject shall remain the same until the next determination of rates under this chapter for all employers. When a successor acquires an employing unit by partial acquisition, the predecessor employer shall provide within thirty days of notification by the Commission, information relating to the division of taxable payroll for partial acquisitions. Such information shall be provided on a form supplied by the Commission.

B. Upon written notification to the Commission that it does not desire the experience record of its predecessor, a succeeding or acquiring unit shall not be assigned such record. This notification shall be made to the Commission within sixty days of the later of (i) such acquisition or succession or (ii) the effective date of this section on a form approved by the Commission. Upon receipt thereof, the Commission shall assign the notifying unit the rate of a new employer. If the notification is not received within such sixty-day period, however, the Commission shall assign the succeeding or acquiring unit the experience record of its predecessor. The provisions of this subsection shall not be applicable to any successor that, at the time of the acquisition, was an employer subject to this title.

§ 60.2-536. Review of decision under § 60.2-535.
A. Any person aggrieved by a decision of the Commission under the provisions of § 60.2-535 shall have the right to review before the Commission. Such review before the Commission shall be instituted by a request filed by the aggrieved party with the Commission within thirty days from the date of mailing of the decision.

B. Any party aggrieved by the Commission decision on review may secure judicial review of any decision pursuant to the provisions of § 60.2-500, such provisions applying mutatis mutandis.

A. If an employer shall transfer any trade or business to another employer where, at the time of transfer, there is substantially common ownership, management, or control of the trade or business, then the unemployment experience attributable to the transferred business shall also be transferred to, and combined with the unemployment experience attributable to, the employer to whom such business is transferred. If the sole or primary purpose of such transfer is to obtain a lower unemployment tax rate, that employer shall be subject to the penalties established by § 60.2-536.3.

B. If an employer shall transfer any trade or business to a person who is not otherwise an employer at the time of such transfer, and the sole or primary purpose of such transfer is to obtain a lower unemployment tax rate:

1. The unemployment experience of the acquired business shall not be transferred to such person; instead, such person shall be assigned the higher of the transferred business' calculated rate or the new employer rate under § 60.2-526; and

2. Such person shall be subject to the penalties established by § 60.2-536.3.

C. Any person who shall knowingly advise another person to engage in a transfer of any trade or business, where the sole or primary purpose of such transfer is to obtain a lower unemployment tax rate, shall be subject to the penalties established by § 60.2-536.3.

D. The Commission shall establish methods to identify and investigate the transfer or acquisition of a business for purposes of this section.

1. For the purposes of determining whether there is "substantially common ownership, management, or control of two or more employers," the Commission shall consider all relevant facts and circumstances, including the extent of commonality or similarity of: (i) ownership, (ii) any familial relationships, (iii) principals or corporate officers, (iv) organizational structure, (v) day-to-day operations, (vi) assets and liabilities, and (vii) stated business purpose.

2. For the purposes of determining whether a business was transferred solely or primarily to obtain a lower unemployment tax rate, the Commission shall consider the facts and circumstances of the transfer, including: (i) the cost of acquiring the business, (ii) how long such business was continued, and (iii) whether a substantial number of new employees was hired to perform duties unrelated to the business activity conducted prior to the transfer.

2005, cc. 47, 91.

§ 60.2-536.2. Advisory opinion by the Commission.
Upon application by an employer who is a party to a transfer or potential transfer of any trade or business, the Commission shall issue an advisory opinion as to whether such transfer constitutes a transfer pursuant to § 60.2-536.1, or is solely or primarily for the purpose of obtaining a lower
unemployment tax rate. The application shall be under oath or affirmation, in a form prescribed by the Commission, and shall fully set forth all relevant facts regarding the proposed transfer. The Commission may require such additional information and documentary evidence as deemed necessary for a fair and informed opinion. Such opinion shall be issued within 60 days after the Commission has received all of the information and evidence requested. An employer who proceeds with the transfer of a trade or business in reliance upon a favorable advisory opinion issued under this section shall not subsequently be found to have violated the provisions of § 18.2-204.3, and shall not be subject to the penalties of § 60.2-536.3, provided such employer has made full disclosure of all relevant facts to the Commission. If an employer disagrees with the Commission's advisory opinion, it shall have the right to a hearing and decision pursuant to § 60.2-500, provided that an application for a hearing is filed with the Commission within 30 days from the date the advisory opinion was mailed.

2005, cc. 47, 91.

§ 60.2-536.3. Violations; penalties.
A. If a person knowingly transfers, or attempts to transfer, any trade or business where the sole or primary purpose is to obtain a lower unemployment tax rate, or if a person knowingly advises another person to engage, or attempt to engage, in such transfer, such person shall be subject, in addition to the criminal penalties set forth in § 18.2-204.3, to the following additional rate of contributions and civil penalty:

1. If the person is an employer, he shall be assigned the highest rate assignable under this chapter for the calendar year during which such violation or attempted violation occurred, and for the next calendar year immediately following such year. However, if the employer is already at such highest rate for that year, or if the amount of increase in the employer's rate would be less than two percent for any such year, then an additional rate of contributions of two percent of taxable wages shall be imposed for such year, which shall be paid into the benefit account of the Unemployment Compensation Fund pursuant to § 60.2-301.

2. If the person is not an employer, he shall be subject to a civil penalty of $5,000, which shall be paid into the Special Unemployment Compensation Administration Fund pursuant to § 60.2-314.

B. Final orders of the Commission with respect to the provisions of § 60.2-536.1 may be recorded, enforced, and satisfied as orders or decrees of a circuit court upon certification of such orders by the Clerk of the Commission. Such orders may be appealed pursuant to § 60.2-500.

Notwithstanding the provisions of §§ 60.2-500 through 60.2-536, if § 3303 of the Internal Revenue Code is amended so as to allow an additional credit under § 3302 (b) of the Internal Revenue Code to employers not otherwise eligible for a reduced rate by reason of the lapse of insufficient time since first becoming subject to this title, the Commission, by a regulation promulgated under § 60.2-111, shall fix and determine the tax rate of all such employers at such reduced rate as shall then be permissible under such federal amendment.

a. Equaled or exceeded 120 percent of the average of such rates for the corresponding 13-week period ending in each of the preceding two calendar years; and
b. Equaled or exceeded five percent, provided that the determination of whether there has been a state trigger "on" indicator shall be made as if this subsection did not contain subdivision 1 a, if the rate of insured unemployment as defined in this subsection equaled or exceeded six percent, except that any week for which there would otherwise be a state "on" indicator shall continue to be such a week and shall not be determined to be a week for which there is a state "off" indicator; or

2. With respect to weeks of unemployment beginning on or after February 1, 2009, and thereafter until the week ending three weeks prior to the last week for which federal sharing is authorized by Section 2005(a) of Public Law 111-5, or by an extension thereof or amendment thereto, the United States Secretary of Labor determines that, for the period consisting of the most recent three months for which data for all states are published before the close of such week, the average rate of total unemployment in this Commonwealth, seasonally adjusted:

   a. Equaled or exceeded 110 percent of the average of such rates for either or both of the corresponding three month periods ending in the two preceding calendar years; and

   b. Equaled or exceeded a six and one half percent.

I. There is a "state 'off' indicator" for this Commonwealth for a week if the Commission determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding 12 weeks the requirements of subsection H of this section have not been satisfied.

1982, c. 237, § 60.1-51.2; 1986, c. 480; 2009, c. 789; 2011, c. 303.

§ 60.2-611. Receipt of extended benefits.
A. Except when the result would be inconsistent with the other provisions of this section, as provided in the regulations of the Commission, the provisions of this title which apply to claims for, or the payment of, regular benefits shall apply to claims for, and the payment of, extended benefits.

B. An individual shall be eligible to receive extended benefits with respect to any week of unemployment in his eligibility period only if the Commission finds that for such week:

1. He is an "exhaustee" as defined in subsection F of § 60.2-610;

2. He has satisfied the requirements of this title for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits; and

3. He had during his base period 20 weeks of full-time insured employment, or the equivalent in insured wages. For purposes of this subdivision, "or the equivalent in insured wages" means more than 40 times the individual's most recent weekly benefit amount.

C. The weekly extended benefit amount payable to an individual for a week of total unemployment in his eligibility period shall equal the weekly benefit amount payable to him during his applicable benefit year.
D. The total extended benefit amount payable to any eligible individual for his applicable benefit year shall be the least of the following amounts:

1. Fifty percent of the total amount of regular benefits which were payable to him under this title in his applicable benefit year;

2. Thirteen times his weekly benefit amount which was payable to him under this title for a week of total unemployment in the applicable benefit year; or

3. Thirty-nine times his weekly benefit amount which was payable to him under this title for a week of total unemployment in the applicable benefit year, reduced by the total amount of regular benefits which were paid or deemed paid to him under this title for the benefit year.

E. 1. Whenever an extended benefit period is to become effective in this Commonwealth as a result of a state "on" indicator, or an extended benefit period is to be terminated in this Commonwealth as a result of state "off" indicators, the Commission shall make an appropriate public announcement.

2. Computations required by the provisions of subsection B of § 60.2-610 shall be made by the Commission, in accordance with regulations prescribed by the United States Secretary of Labor.

3. An "on" or "off" indicator for this Commonwealth shall be determined without regard to subdivision 1 of subsection H of § 60.2-610 for any period that waiver of such provisions is authorized under § 203 (d) of the Federal-State Extended Unemployment Compensation Act (26 U.S.C. § 3304) and any amendments thereto, or as authorized by any provision of federal law.

F. 1. Notwithstanding the provisions of subsection A of this section, an individual shall be ineligible for payment of extended benefits for any week of unemployment in his eligibility period if the Commission finds that during such period:

   a. He failed to accept any offer of suitable work or failed to apply for any suitable work, as defined under subdivision 3 of this subsection, to which he was referred by the Commission; or

   b. He failed to actively engage in seeking work as prescribed under subdivision 5 of this subsection.

2. Any individual who has been found ineligible for extended benefits by reason of the provisions in subdivision 1 of this subsection shall also be denied benefits beginning with the first day of the week following the week in which such failure occurred and until he has been employed in each of four subsequent weeks, whether or not consecutive, and has earned remuneration equal to not less than four times the extended weekly benefit amount.

3. a. For purposes of this subsection, "suitable work" means, with respect to any individual, any work which is within the individual's capabilities and for which the gross average weekly remuneration payable for the work exceeds the sum of:

   (1) The individual's average weekly benefit amount as determined under subsection C of this section, plus
(2) Any amount of supplemental unemployment benefits, as defined in § 501(c)(17)(D) of the Internal Revenue Code, payable to the individual for such week.

b. Such gross average weekly remuneration shall pay wages equal to the higher of:

(1) The minimum wages provided by § 6(a)(1) of the Fair Labor Standards Act (29 U.S.C. § 201 et seq.), without regard to any exemption; or

(2) The state or local minimum wage.

c. No individual, however, shall be denied extended benefits for failure to accept an offer or referral to any job which meets the definition of suitable work as described in subdivision 3a of this subsection if:

(1) The position was not offered to such individual in writing or was not listed with the Job Service;

(2) Such failure could not result in a denial of benefits under the definition of suitable work for regular benefit claimants in subdivision 3 of § 60.2-618 to the extent that the criteria of suitability in that section are not inconsistent with the provisions of this subdivision; or

(3) The individual furnishes satisfactory evidence to the Commission that his prospects for obtaining work in his customary occupation within a reasonably short period are good. If the evidence is deemed satisfactory for this purpose, the determination of whether any work is suitable with respect to such individual shall be made in accordance with the definition of suitable work in subdivision 3 of § 60.2-618 without regard to the definition specified by this subdivision.

4. Notwithstanding the provisions of this subsection, no work shall be deemed to be suitable work for an individual which does not accord with the labor standard provisions required by § 3304(a) 5 of the Internal Revenue Code and set forth under subdivision 3 of § 60.2-618.

5. For the purposes of subdivision 1 b of this subsection, an individual shall be treated as actively engaged in seeking work during any week if:

a. The individual has engaged in a systematic and sustained effort to obtain work during such week; and

b. The individual furnishes tangible evidence that he has engaged in such effort during such week.

6. The Job Service shall refer any claimant entitled to extended benefits under this title to any suitable work which meets the criteria prescribed in subdivision 3 of this subsection.

7. Notwithstanding any other provisions of this chapter, if the benefit year of any individual ends within an extended benefit period, the remaining balance of extended benefits that such individual would, but for this section, be entitled to receive in that extended benefit period, for weeks of unemployment beginning after the end of the benefit year, shall be reduced, but not below zero, by the product of the number of weeks for which the individual received any amounts as trade readjustment allowances within that benefit year, multiplied by the individual's weekly benefit amount for extended benefits.
8. No claim for extended benefits shall be subject to subdivisions 1, 2, 3 or 6 of this subsection for weeks of unemployment beginning after March 6, 1993, and before January 1, 1995. If the Federal-State Extended Unemployment Compensation Act of 1970 is at any time amended to preclude enforcement of any provision of this section, such provision shall not apply to any claim for weeks beginning on the date said amendment becomes effective.

G. 1. Except as provided in subdivision 2 of this subsection, an individual shall not be eligible for extended benefits for any week if:

a. Extended benefits are payable for such week pursuant to an interstate claim filed in any state under the interstate benefit plan; and

b. No extended benefit period is in effect for such week in such state.

2. Subdivision 1 of this subsection shall not apply to the first two weeks for which extended benefits are payable, determined without regard to this subsection, pursuant to an interstate claim filed under the interstate benefit payment plan to the individual from the extended benefit account established for the individual with respect to the benefit year.

H. Effective with respect to weeks beginning in a high unemployment period that commenced on or after February 1, 2009, and thereafter until the week ending three weeks prior to the last week for which federal sharing is authorized by Section 2005(a) of Public Law 111-5, or by an extension thereof or amendment thereto, subsection D shall be applied by substituting (i) "eighty percent" for "fifty percent" in subdivision D 1; (ii) "twenty" for "thirteen" in subdivision D 2; and (iii) "forty-six" for "thirty-nine" in subdivision D 3. As used in this subsection, "high unemployment period" means any period during which an extended benefit period would be in effect if subdivision H 2 b of § 60.2-610 were applied by substituting "eight percent" for "six and one-half percent."

Article 4 - ELIGIBILITY CRITERIA

§ 60.2-612. Benefit eligibility conditions.
An unemployed individual shall be eligible to receive benefits for any week only if the Commission finds that:

1. He has, in the highest two quarters of earnings within his base period, been paid wages in employment for employers that are equal to not less than the lowest amount appearing in Column A of the "Benefit Table" appearing in § 60.2-602 on the line which extends through Division C and on which in Column B of the "Benefit Table" appears his weekly benefit amount. Such wages shall be earned in not less than two quarters.

2. a. His total or partial unemployment is not due to a labor dispute in active progress or to shutdown or start-up operations caused by such dispute which exists (i) at the factory, establishment, or other
premises, including a vessel, at which he is or was last employed, or (ii) at a factory, establishment or other premises, including a vessel, either within or without this Commonwealth, which (a) is owned or operated by the same employing unit which owns or operates the premises at which he is or was last employed and (b) supplies materials or services necessary to the continued and usual operation of the premises at which he is or was last employed. This subdivision shall not apply if it is shown to the satisfaction of the Commission that:

(1) He is not participating in or financing or directly interested in the labor dispute; and

(2) He does not belong to a grade or class of workers of which, immediately before the commencement of the labor dispute, there were members employed at the premises, including a vessel, at which the labor dispute occurs, any of whom are participating in or financing or directly interested in the dispute.

b. If separate branches of work which are commonly conducted as separate businesses at separate premises are conducted in separate departments of the same premises, each such department shall, for the purposes of this subdivision, be deemed to be a separate factory, establishment or other premises. Membership in a union, or the payment of regular dues to a bona fide labor organization, however, shall not alone constitute financing a labor dispute.

3. He is not receiving, has not received or is not seeking unemployment benefits under an unemployment compensation law of any other state or of the United States; however, if the appropriate agency of such other state or of the United States finally determines that he is not entitled to such unemployment benefits, this subdivision shall not apply.

4. He is not on a bona fide paid vacation. If an individual is paid vacation pay for any week in an amount less than the individual's weekly benefit amount his eligibility for benefits shall be computed under the provisions of § 60.2-603.

5. He has registered for work and thereafter has continued to report at an employment office in accordance with such regulations as the Commission may prescribe. The Commission may, by regulation, waive or alter either or both of the requirements of this subdivision for certain types of cases when it finds that compliance with such requirements would be oppressive, or would be inconsistent with the purposes of this title.

6. He has made a claim for benefits in accordance with regulations the Commission may prescribe.

7. a. He is able to work, is available for work, and is actively seeking and unable to obtain suitable work. Every claimant who is totally unemployed shall report to the Commission the names of employers contacted each week in his effort to obtain work. This information may be subject to employer verification by the Commission through a program designed for that purpose. The Commission may determine that registration by a claimant with the Virginia State Job Service may constitute a valid employer contact and satisfy the search for work requirement of this subsection in labor market areas where job opportunities are limited. The Commission may determine that an individual, whose usual
and customary means of soliciting work in his occupation is through contact with a single hiring hall which makes contacts with multiple employers on behalf of the claimant, meets the requirement that he be actively seeking and unable to obtain suitable work by contacting that hiring hall alone. In areas of high unemployment, as determined by the Commission, the Commission has the authority to adjust the requirement that he be actively seeking and unable to obtain suitable work.

b. An individual who leaves the normal labor market area of the individual for the major portion of any week is presumed to be unavailable for work within the meaning of this section. This presumption may be overcome if the individual establishes to the satisfaction of the Commission that the individual has conducted a bona fide search for work and has been reasonably accessible to suitable work in the labor market area in which the individual spent the major portion of the week to which the presumption applies.

c. An individual whose type of work is such that it is performed by individuals working two or more shifts in a 24-hour period shall not be deemed unavailable for work if the individual is currently enrolled in one or more classes of education related to employment or is continuing in a certificate or degree program at an institution of higher education, provided that the enrollment would only limit the individual's availability for one shift and the individual is otherwise available to work any of the other shifts.

8. He has given notice of resignation to his employer and the employer subsequently made the termination of employment effective prior to the date of termination as given in the notice, but in no case shall unemployment compensation benefits awarded under this subdivision exceed two weeks; provided, that the claimant could not establish good cause for leaving work pursuant to § 60.2-618 and was not discharged for misconduct as provided in § 60.2-618.

9. Beginning January 6, 1991, he has served a waiting period of one week during which he was eligible for benefits under this section in all other respects and has not received benefits, except that only one waiting week shall be required of such individual within any benefit year. For claims filed effective November 28, 1999, and after, this requirement shall be waived for any individual whose unemployment was caused by his employer terminating operations, closing its business or declaring bankruptcy without paying the final wages earned as required by § 40.1-29 of the Code of Virginia. Notwithstanding any other provision of this title, if an employer who terminates operations, closes its business or declares bankruptcy pays an individual his final wages after the period of time prescribed by § 40.1-29 of the Code of Virginia, such payment shall not be offset against the benefits the individual was otherwise entitled to receive and shall not, under any circumstances, cause such individual to be declared overpaid benefits.

10. He is not imprisoned or confined in jail.

11. He participates in reemployment services, such as job search assistance services, if he has been determined to be likely to exhaust regular benefits and need reemployment services pursuant to a profiling system established by the Commission, unless the Commission determines that (i) such 
claimant has completed such services or (ii) there is good cause for such claimant's failure to participate in such services.

§ 60.2-613. Benefits not denied to individuals in training with approval of Commission.
A. No otherwise eligible individual shall be denied benefits for any week because he is in training with the approval of the Commission, including training under Section 134 of the Workforce Investment Act, nor shall such individual be denied benefits for any week in which he is in training with the approval of the Commission, including training under Section 134 of the Workforce Investment Act, by reason of the application of the provisions in subdivision 7 of § 60.2-612 relating to availability for work, or the provisions of subdivision 3 of § 60.2-618 relating to failure to apply for, or a refusal to accept, suitable work.

B. Notwithstanding any other provisions of this chapter, no otherwise eligible individual shall be denied benefits for any week because he is in training approved under § 2296 of the Trade Act (19 U.S.C. § 2101 et seq.), nor shall such individual be denied benefits by reason of leaving work to enter such training, provided the work left is not suitable employment, or because of the application to any such week in training of provisions in this law (or any applicable federal unemployment compensation law), relating to availability for work, active search for work, or refusal to accept work.

C. For purposes of this section, "suitable employment" means, with respect to an individual, work of a substantially equal or higher skill level than the individual's past adversely affected employment, as defined for purposes of the Trade Act, and wages for such work at not less than eighty percent of the individual's average weekly wage as determined for the purposes of the Trade Act.

§ 60.2-614. Service required during immediately preceding benefit year in which individual received benefits.
No individual may receive benefits in a benefit year unless, subsequent to the beginning of the immediately preceding benefit year during which he received benefits, he performed service for an employer as defined in § 60.2-210 for remuneration (i) during thirty days, whether or not such days were consecutive, or (ii) for 240 hours, and subsequently became totally or partially separated from such employment.

§ 60.2-615. Benefits based on employment by state or political subdivision, certain hospitals, educational institutions and charitable, etc., organizations.
Benefits based on service in employment defined in subsection A of § 60.2-213 shall be payable in the same amount on the same terms and subject to the same conditions as benefits payable on the basis of other service subject to this title, except that:

A. 1. Benefits based on service in an instructional, research, or principal administrative capacity for an educational institution shall not be paid to an individual for any week of unemployment commencing during the period between two successive academic years or terms, or during a similar period between two regular but not successive terms, or during a period of paid sabbatical leave provided for in the individual's contract, if the individual performs such services in the first of such academic years or terms and if there is a contract or a reasonable assurance that such individual will perform services in any such capacity for any educational institution in the second of such academic years or terms.

2. The provisions of this subsection relating to the denial of benefits shall apply to an individual who performs such services on a part-time or substitute basis.

B. 1. Benefits based on service in any capacity, other than an instructional, research, or principal administrative capacity, for an educational institution shall not be paid to any individual for any week which commences during a period between two successive academic years or terms if such individual performs such services in the first of such academic years or terms and there is a reasonable assurance that such individual will perform such services in the second of such academic years or terms.

2. The provisions of this subsection relating to the denial of benefits shall apply to an individual who performs such services on a part-time or substitute basis.

3. If compensation is denied to any individual for any week which occurs during the period between academic years or terms under this subsection and such individual was not offered an opportunity to perform such services for the educational institution for the second of such academic years or terms, such individual shall be entitled to a retroactive payment of the compensation for each week for which the individual filed a timely claim for compensation and for which compensation was denied solely by reason of this subsection.

C. Benefits based on services performed in an educational institution while employed by an educational service agency shall not be payable to any individual who provided such services under the same circumstances and subject to the same terms and conditions as described in subsections A, B and E of this section. For purposes of this subsection "educational service agency" means a governmental agency or governmental entity which is established and operated exclusively for the purpose of providing such services to one or more educational institutions.

D. Benefits based on services provided to or on behalf of an educational institution while employed by a governmental entity or nonprofit organization shall not be payable to any individual who provided such services under the same circumstances and subject to the same terms and conditions as described in subsections A, B, C and E of this section.
E. For services described in subsections A and B of this section, compensation payable on the basis of such services shall be denied to any individual for any week which commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess, and there is a reasonable assurance that such individual will perform such services in the period immediately following such vacation period or holiday recess.

§ 60.2-616. Benefits based on services in connection with sports.
Benefits based on services, substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, shall not be paid to any individual for any week of unemployment which commences during the period between two successive sport seasons, or similar periods, if such individual performed such services in the first of such seasons, or similar periods, and there is a reasonable assurance that such individual will perform such services in the later of such seasons, or similar periods.

1977, c. 330, § 60.1-52.4:1; 1986, c. 480.

§ 60.2-617. Benefits denied to certain aliens.
A. Benefits shall not be paid on the basis of services performed by an alien unless such individual was lawfully admitted for permanent residence at the time such services were performed, was lawfully present for purposes of performing such services, or was permanently and lawfully residing in the United States under color of law at the time such services were performed. The provisions of this subsection shall include aliens who were lawfully present in the United States as a result of the application of the provisions of § 1153 (a) (7) or § 1182 (d) (5) of the Immigration and Nationality Act (8 U.S.C. § 1101 et seq.). Additionally, any modifications to the provisions of § 3304 (a) (14) of the Federal Unemployment Tax Act (26 U.S.C. § 3301 et seq.) which specify other conditions or other effective dates than stated herein for the denial of benefits based on services performed by aliens and which modifications are required to be implemented under state law as a condition for full tax credit against the tax imposed by the Federal Unemployment Tax Act, shall be deemed applicable under the provisions of this section.

B. Any data or information required of individuals claiming benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

C. In the case of an individual whose claim for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of his alien status shall be made except upon a preponderance of the evidence.

1977, c. 330, § 60.1-52.5:1; 1986, c. 480.

§ 60.2-618. Disqualification for benefits.
An individual shall be disqualified for benefits upon separation from the last employing unit for whom he has worked 30 days or 240 hours or from any subsequent employing unit:

1. For any week benefits are claimed until he has performed services for an employer (i) during 30 days, whether or not such days are consecutive, or (ii) for 240 hours, and subsequently becomes totally or partially separated from such employment, if the Commission finds such individual is unemployed because he left work voluntarily without good cause.

If (a) at the time of commencing employment with such employing unit an individual is enrolled in an accredited academic program of study provided by an institution of higher education for students that have been awarded a baccalaureate degree, which academic program culminates in the awarding of a master's, doctoral, or professional degree; (b) the individual's employment with such employing unit commenced and ended during the period between spring and fall semesters of the academic program in which the individual is enrolled; and (c) the individual returned to such academic program following his separation from such employing unit, there shall be a rebuttable presumption that the individual left work voluntarily.

As used in this chapter, "good cause" shall not include (1) voluntarily leaving work with an employer to become self-employed or (2) voluntarily leaving work with an employer to accompany or to join his or her spouse in a new locality, except where an individual leaves employment to accompany a spouse to the location of the spouse's new duty assignment if (A) the spouse is on active duty in the military or naval services of the United States; (B) the spouse's relocation to a new military-related assignment is pursuant to a permanent change of station order; (C) the location of the spouse's new duty assignment is not readily accessible from the individual's place of employment; and (D) except for members of the Virginia National Guard relocating to a new assignment within the Commonwealth, the spouse's new duty assignment is located in a state that, pursuant to statute, does not deem a person accompanying a military spouse as a person leaving work voluntarily without good cause. An individual shall not be deemed to have voluntarily left work solely because the separation was in accordance with a seniority-based policy.

2. a. For any week benefits are claimed until he has performed services for an employer (i) during 30 days, whether or not such days are consecutive, or (ii) for 240 hours, and subsequently becomes totally or partially separated from such employment, if the Commission finds such individual is unemployed because he has been discharged for misconduct connected with his work.

b. For the purpose of this subdivision, "misconduct" includes, but shall not be limited to:

(1) An employee's confirmed positive test for a nonprescribed controlled substance, identified as such in Chapter 34 (§ 54.1-3400 et seq.) of Title 54.1, where such test was conducted at the direction of his employer in conjunction with the employer's administration and enforcement of a known workplace drug policy. Such test shall have been performed, and a sample collected, in accordance with scientifically recognized standards by a laboratory accredited by the United States Department of Health and Human Services, or the College of American Pathology, or the American Association for Clinical
Chemistry, or the equivalent, or shall have been a United States Department of Transportation-qualified drug screen conducted in accordance with the employer's bona fide drug policy. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

(2) An employee's intentionally false or misleading statement of a material nature concerning past criminal convictions made in a written job application furnished to the employer, where such statement was a basis for the termination and the employer terminated the employee promptly upon the discovery thereof. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

(3) A willful and deliberate violation of a standard or regulation of the Commonwealth, by an employee of an employer licensed or certified by the Commonwealth, which violation would cause the employer to be sanctioned or have its license or certification suspended by the Commonwealth. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

(4) Chronic absenteeism or tardiness in deliberate violation of a known policy of the employer or one or more unapproved absences following a written reprimand or warning relating to more than one unapproved absence. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

(5) An employee's loss of or failure to renew a license or certification that is a requisite of the position held by the employee, provided the employer is not at fault for the employee's loss of or failure to renew the license or certification. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

3. a. If it is determined by the Commission that such individual has failed, without good cause, either to apply for available, suitable work when so directed by the employment office or the Commission or to accept suitable work when offered him. The disqualification shall commence with the week in which such failure occurred, and shall continue for the period of unemployment next ensuing until he has performed services for an employer (i) during 30 days, whether or not such days are consecutive, or (ii) for 240 hours, and subsequently becomes totally or partially separated from such employment.

b. In determining whether or not any work is suitable for an individual, the Commission shall consider the degree of risk involved to his health, safety and morals, his physical fitness and prior training, his experience, his length of unemployment and the accessibility of the available work from his residence.

c. No work shall be deemed suitable and benefits shall not be denied under this title to any otherwise eligible individual for refusing to accept new work under any of the following conditions:

(1) If the position offered is vacant due directly to a strike, lockout, or other labor dispute;

(2) If the wages, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality; or
(3) If as a condition of being employed the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

d. No individual shall be qualified for benefits during any week that such individual, in connection with an offer of suitable work, has a confirmed positive test for a nonprescribed controlled substance, identified as such in Chapter 34 (§ 54.1-3400 et seq.) of Title 54.1, if the test is required as a condition of employment and (i) performed, and a sample is collected, in accordance with scientifically recognized standards by a laboratory accredited by the United States Department of Health and Human Services, or the College of American Pathology, or the American Association for Clinical Chemistry, or the equivalent, or (ii) a United States Department of Transportation-qualified drug screen conducted in accordance with the employer's bona fide drug policy. The disqualification shall commence with the week in which such a test was conducted, and shall continue for the period of unemployment next ensuing until he has performed services for an employer (i) during 30 days, whether or not such days are consecutive, or (ii) for 240 hours, and subsequently becomes totally or partially separated from such employment.

4. For 52 weeks, beginning with the date of the determination or decision, if the Commission finds that such individual, within 36 calendar months immediately preceding such determination or decision, has made a false statement or representation knowing it to be false, or has knowingly failed to disclose a material fact, to obtain or increase any benefit or payment under this title, the unemployment compensation of any other state, or any other program of the federal government which is administered in any way under this title, either for himself or any other person. Overpayments that have been fraudulently obtained and any penalty assessed against the individual pursuant to § 60.2-636 shall be recoverable as provided in § 60.2-633.

5. If such separation arose as a result of an unlawful act which resulted in a conviction and after his release from prison or jail until he has performed services for an employer for (i) 30 days, whether or not such days are consecutive, or (ii) 240 hours, and subsequently becomes totally or partially separated from such employment.

6. If such separation arose as a condition of the individual’s parole or release from a custodial or penal institution and such individual was participating in the community corrections alternative program pursuant to § 19.2-316.4.

Article 5 - Claims Adjudication

§ 60.2-619. (Effective until July 1, 2022) Determinations and decisions by deputy; appeals therefrom.
A. 1. A representative designated by the Commission as a deputy, shall promptly examine the claim. On the basis of the facts found by him, the deputy shall either:

a. Determine whether or not such claim is valid, and if valid, the week with respect to which benefits shall commence, the weekly benefit amount payable and the maximum duration thereof; or

b. Refer such claim or any question involved therein to any appeal tribunal or to the Commission, which tribunal or Commission shall make its determination in accordance with the procedure described in § 60.2-620.

2. When the payment or denial of benefits will be determined by the provisions of subdivision 2 of § 60.2-612, the deputy shall promptly transmit his full finding of fact with respect to that subdivision to any appeal tribunal, which shall make its determination in accordance with the procedure described in § 60.2-620.

B. Upon the filing of an initial claim for benefits, the Commission shall cause an informatory notice of such filing to be mailed to the most recent 30-day or 240-hour employing unit of the claimant and all subsequent employing units, and any reimbursable employing units that may be liable for reimbursement to the Commission for any benefits paid. However, the failure to furnish such notice shall not have any effect upon the claim for benefits. If a claimant has had a determination of initial eligibility for benefits under this chapter, as evidenced by the issuance of compensation or waiting-week credit, payments shall continue, subject to a presumption of continued eligibility and in accordance with the terms of this subsection, until a determination is made that provides the claimant notice and an opportunity to be heard. When a question concerning continued eligibility for benefits arises, a determination shall be made as to whether it affects future weeks of benefits or only past weeks. With respect to future weeks, presumptive payment shall not be made until no later than the end of the week following the week in which such issue arises, regardless of the type of issue. With respect to past weeks, presumptive payment shall be issued immediately, regardless of the type of issue. Notice shall be given to individuals who receive payments under such presumption that pending eligibility may affect their entitlement to the payment and may result in an overpayment that requires repayment.

C. Notice of determination upon a claim shall be promptly given to the claimant by delivering or by mailing such notice to the claimant's last known address. In addition, notice of any determination that involves the application of the provisions of § 60.2-618, together with the reasons therefor, shall be promptly given in the same manner to the most recent 30-day or 240-hour employing unit by whom the claimant was last employed and any subsequent employing unit which is a party. The Commission may dispense with the giving of notice of any determination to any employing unit, and such employing unit shall not be entitled to such notice if it has failed to respond timely or adequately to a written request of the Commission for information, as required by § 60.2-528.1, from which the deputy may have determined that the claimant may be ineligible or disqualified under any provision of this title. The deputy shall promptly notify the claimant of any decision made by him at any time which in any manner denies benefits to the claimant for one or more weeks.
D. Such determination or decision shall be final unless the claimant or any such employing unit files an appeal from such determination or decision (i) within 30 calendar days after the delivery of such notification, (ii) within 30 calendar days after such notification was mailed to his last known address, or (iii) within 30 days after such notification was mailed to the last known address of an interstate claimant. For good cause shown, the 30-day period may be extended.

E. Benefits shall be paid promptly in accordance with a determination or redetermination under this chapter, or decision of an appeal tribunal, the Commission, the Board of Review or a reviewing court under §§ 60.2-625 and 60.2-631 upon the issuance of such determination, redetermination or decision, regardless of the pendency of the period to file an appeal or petition for judicial review that is provided in this chapter, or the pendency of any such appeal or review. Such benefits shall be paid unless or until such determination, redetermination or decision has been modified or reversed by a subsequent redetermination or decision, in which event benefits shall be paid or denied for weeks of unemployment thereafter in accordance with such modifying or reversing redetermination or decision. If a decision of an appeal tribunal allowing benefits is affirmed in any amount by the Commission, benefits shall continue to be paid until such time as a court decision has become final so that no further appeal can be taken. If an appeal is taken from the Commission's decision, benefits paid shall result in a benefit charge to the account of the employer under § 60.2-530 only when, and as of the date on which, as the result of an appeal, the courts finally determine that the Commission should have awarded benefits to the claimant or claimants involved in such appeal.

§ 60.2-619. (Effective July 1, 2022) Determinations and decisions by deputy; appeals therefrom.
A. 1. A representative designated by the Commission as a deputy, shall promptly examine the claim. On the basis of the facts found by him, the deputy shall either:
   a. Determine whether or not such claim is valid, and if valid, the week with respect to which benefits shall commence, the weekly benefit amount payable and the maximum duration thereof; or
   b. Refer such claim or any question involved therein to any appeal tribunal or to the Commission, which tribunal or Commission shall make its determination in accordance with the procedure described in § 60.2-620.

2. When the payment or denial of benefits will be determined by the provisions of subdivision 2 of § 60.2-612, the deputy shall promptly transmit his full finding of fact with respect to that subdivision to any appeal tribunal, which shall make its determination in accordance with the procedure described in § 60.2-620.

B. Upon the filing of an initial claim for benefits, the Commission shall cause an informatory notice of such filing to be mailed to the most recent 30-day or 240-hour employing unit of the claimant and all subsequent employing units, and any reimbursable employing units which may be liable for
reimbursement to the Commission for any benefits paid. However, the failure to furnish such notice shall not have any effect upon the claim for benefits.

C. Notice of determination upon a claim shall be promptly given to the claimant by delivering or by mailing such notice to the claimant's last known address. In addition, notice of any determination which involves the application of the provisions of §60.2-618, together with the reasons therefor, shall be promptly given in the same manner to the most recent 30-day or 240-hour employing unit by whom the claimant was last employed and any subsequent employing unit which is a party. The Commission may dispense with the giving of notice of any determination to any employing unit, and such employing unit shall not be entitled to such notice if it has failed to respond timely or adequately to a written request of the Commission for information, as required by §60.2-528.1, from which the deputy may have determined that the claimant may be ineligible or disqualified under any provision of this title. The deputy shall promptly notify the claimant of any decision made by him at any time which in any manner denies benefits to the claimant for one or more weeks.

D. Such determination or decision shall be final unless the claimant or any such employing unit files an appeal from such determination or decision (i) within 30 calendar days after the delivery of such notification, (ii) within 30 calendar days after such notification was mailed to his last known address, or (iii) within 30 days after such notification was mailed to the last known address of an interstate claimant. For good cause shown, the 30-day period may be extended.

E. Benefits shall be paid promptly in accordance with a determination or redetermination under this chapter, or decision of an appeal tribunal, the Commission, the Board of Review or a reviewing court under §§60.2-625 and 60.2-631 upon the issuance of such determination, redetermination or decision, regardless of the pendency of the period to file an appeal or petition for judicial review that is provided in this chapter, or the pendency of any such appeal or review. Such benefits shall be paid unless or until such determination, redetermination or decision has been modified or reversed by a subsequent redetermination or decision, in which event benefits shall be paid or denied for weeks of unemployment thereafter in accordance with such modifying or reversing redetermination or decision. If a decision of an appeal tribunal allowing benefits is affirmed in any amount by the Commission, benefits shall continue to be paid until such time as a court decision has become final so that no further appeal can be taken. If an appeal is taken from the Commission's decision, benefits paid shall result in a benefit charge to the account of the employer under §60.2-530 only when, and as of the date on which, as the result of an appeal, the courts finally determine that the Commission should have awarded benefits to the claimant or claimants involved in such appeal.

§60.2-620. Hearing and decision on appeal.
A. Appeals filed under § 60.2-619 shall be heard by an appeal tribunal appointed pursuant to § 60.2-621. Such appeal tribunal, after affording the claimant and any other parties reasonable opportunity for a fair hearing, shall have jurisdiction to consider all issues with respect to the claim since the initial filing thereof. Such tribunal shall affirm, set aside, reverse, modify, or alter the findings of fact and decision of the deputy, and may enter such order or decision with respect to the claim as such appeal tribunal finds should have been entered. However, no such order or decision shall affect benefits already paid except in accordance with the provisions of § 60.2-633.

B. The parties shall be duly notified of such tribunal’s decision, together with its reasons therefor, which shall be deemed to be the final decision of the Commission, unless within thirty days after the date of notification or mailing of such decision, further appeal is initiated pursuant to § 60.2-622. However, for good cause shown the thirty-day period may be extended.

§ 60.2-621. Appeal tribunals.
In order to hear and decide disputed claims expeditiously, the Commissioner shall establish one or more impartial appeal tribunals consisting in each case of either (i) a salaried examiner or (ii) a tribunal consisting of three members, one of whom shall be a salaried examiner, who shall serve as chairman, one of whom shall be a representative of employers and the other of whom shall be a representative of employees. Each of the latter two members of the tribunal in (ii) of this section shall serve at the pleasure of the Commissioner and be paid a fee of not more than ten dollars per day of active service on such tribunal plus necessary expenses. No person shall participate on behalf of the Commission in any case in which he is an interested party. The Commissioner may designate alternates to serve in the absence or disqualification of any member of an appeal tribunal. The chairman shall act alone in the absence or disqualification of any other member and his alternates. In no case shall the hearings proceed unless the chairman of the appeal tribunal is present.

Code 1950, § 60-51; 1968, c. 738, § 60.1-63; 1986, c. 480.

§ 60.2-622. Commission review.
A. The Commission (i) may on its own motion affirm, modify, or set aside any decision of an appeal tribunal on the basis of the evidence previously submitted in such case, or direct the taking of additional evidence by an appeal tribunal, or receive such evidence itself, or (ii) shall permit any of the parties to such decision to initiate further appeals before it. The Commission may remove to itself or transfer to another appeal tribunal the proceedings on any claim pending before an appeal tribunal. Any proceeding so removed to the Commission shall be heard in accordance with the requirements of § 60.2-620. The Commission shall promptly notify the interested parties of its findings and decision.

B. 1. Any decision of the Commission, upon a hearing on appeal, shall become final 10 days after the date of notification or mailing, and judicial review shall be permitted the claimant or any interested party claiming to be aggrieved. The Commission shall be deemed to be a party to any judicial action
involving any such decision, and shall be represented in any such judicial action by the Office of the Attorney General.

2. Any such decision by the Commission involving (i) whether an employing unit constitutes an employer or (ii) whether services performed for or in connection with business of an employing unit constitute employment for such employing unit, from which no judicial review is had pursuant to subsections C and D of § 60.2-500, shall be conclusive in any subsequent judicial proceedings involving liability for taxes by the Commission against any employing unit which was a party to the proceedings held before the Commission.

C. The Commissioner shall have the power to designate a special examiner to hear appeals to the Commission under this section. The Commissioner may authorize and empower such special examiner to decide any appeal so heard, in which event the decision of the special examiner shall be the final decision of the Commission under this section, subject to judicial review under § 60.2-625.

§ 60.2-623. Procedure generally; confidentiality of information.
A. The manner in which disputed claims shall be presented, reports required from the claimant and from employers, the conduct of hearings and appeals before any deputy, appeal tribunal or the Commission, and transcripts prepared shall be in accordance with regulations prescribed by the Commission for determining the rights of the parties. Such regulations need not conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings in connection with a disputed claim. All testimony at any hearing upon a disputed claim shall be recorded, but need not be transcribed unless the disputed claim is further appealed and a timely request for a hearing before the Commission has been made in accordance with regulations prescribed by the Commission. In lieu of providing a transcript, and with the consent of all parties who participated in the hearing, the Commission may provide a digital or other electronic recording of the testimony taken at any hearing, which recording may be transmitted in any medium provided that the recording is protected from unauthorized interception by reasonable security measures.

B. Information furnished the Commission under the provisions of this chapter shall not be published or be open to public inspection, other than to public employees in the performance of their public duties. Neither such information, nor any determination or decision rendered under the provisions of § 60.2-619, 60.2-620 or 60.2-622, shall be used in any judicial or administrative proceeding other than one arising out of the provisions of this title; however, the Commission shall make its records about a claimant available to the Workers' Compensation Commission if it requests such records. The Commission may also, in its discretion, furnish copies of the transcript of hearings to any party.

C. Notwithstanding the provisions of subsection B, the Commission shall, on a reimbursable basis, furnish wage and unemployment compensation information contained in its records to the Secretary of
Health and Human Services and Virginia's child support enforcement agency for their use as necessary for the purposes of the National Directory of New Hires established under § 453 (i) of the Social Security Act.

D. Notwithstanding the provisions of subsection B, the Commission shall, upon written request, furnish any agency or political subdivision of the Commonwealth such information as it may require for the purpose of collecting fines, penalties, and costs owed to the Commonwealth or its political subdivisions. Such information shall not be published or used in any administrative or judicial proceeding, except in matters arising out of the collection of fines, penalties, and costs owed to the Commonwealth or its political subdivisions.

§ 60.2-623.1. Party's recording of hearing.
A. Any party to a compensation hearing of the Virginia Employment Commission may employ the use of a court reporter to record for transcription the proceeding, provided it is done at the party's own expense.

B. In the event the Commission's transcript of the proceeding is lost, damaged, or parts are missing, a transcript existing as a result of subsection A of this section may be used in addition to any full or partial Commission transcript.

1986, c. 129, § 60.1-65.1.

§ 60.2-624. Witness expenses.
Witnesses subpoenaed pursuant to this chapter shall be allowed expenses at a rate fixed by the Commission. Such expenses shall be deemed a part of the expense of administering this title.

Code 1950, § 60-54; 1968, c. 738, § 60.1-66; 1986, c. 480.

§ 60.2-625. Judicial review.
A. Within thirty days after the decision of the Commission upon a hearing pursuant to § 60.2-622 has been mailed, any party aggrieved who seeks judicial review shall commence an action in the circuit court of the county or city in which the individual who filed the claim was last employed. In such action against the Commission, the Commission and any other party to the administrative procedures before the Commission shall be named a defendant in a petition for judicial review. Such petition shall also state the grounds upon which a review is sought; it shall be served upon a member of the Commission or upon such person as the Commission may designate, and such service shall be deemed completed service on all parties. There shall be left with the party so served as many copies of the petition as there are defendants, and the Commission shall forthwith mail one such copy to each such defendant. With its answer, the Commission shall certify and file with the court all documents and papers and a transcript of all testimony taken in the matter, together with its findings of fact and decision therein. In any judicial proceedings under this chapter, the findings of the Commission as to the facts, if supported by evidence and in the absence of fraud, shall be conclusive, and the jurisdiction of the court
shall be confined to questions of law. Such actions and the questions so certified shall be heard in a summary manner at the earliest possible date. An appeal may be taken from the decision of the court to the Court of Appeals in conformity with Part Five A of the Rules of Supreme Court and other applicable laws.

B. From any circuit court decision involving (i) the provisions of § 60.2-612 or § 60.2-618, (ii) whether an employing unit constitutes an employer or (iii) whether services performed for or in connection with the business of an employing unit constitute employment for such employing unit, the Court of Appeals shall have jurisdiction to review such decision regardless of the amount involved in any claim for benefits. It shall not be necessary, in any proceeding under this chapter, to enter exceptions to the rulings of the Commission or an appeal tribunal, and no bond shall be required upon an appeal to any court. Upon the final determination of such judicial proceeding, the Commission shall administer the Unemployment Compensation Fund in accordance with such determination.

C. The Commission shall have the right to appeal a decision of a circuit court in any proceeding under this chapter.

§ 60.2-626. Oaths and witnesses; subpoenas.
In the discharge of the duties imposed by this title, the chairman of an appeal tribunal and any duly authorized representative or member of the Commission shall have power to administer oaths and affirmations, take depositions, certify to official acts, and issue subpoenas to compel the attendance of witnesses and the production of books, papers, correspondence, memoranda, and other records deemed necessary as evidence in connection with a disputed claim or the administration of this title.

§ 60.2-627. Failure to obey subpoenas; orders of court; penalty.
A. In case of contumacy by, or refusal to obey a subpoena issued to any person, any court of this Commonwealth within the jurisdiction of which the inquiry is carried on or within the jurisdiction of which such person guilty of contumacy or refusal to obey is found or resides or transacts business, upon application by the Commission or its duly authorized representative, shall have jurisdiction to issue to such person an order requiring such person to appear before an appeal tribunal, a commissioner, the Commission, or its duly authorized representative, in order to produce evidence or to give testimony concerning the matter under investigation or in question. Any failure to obey such court order may be punished by the court as contempt.

B. Any person subpoenaed by the Commission who, without just cause, fails or refuses to attend and testify or to answer to any lawful inquiry or to produce books, papers, correspondence, memoranda and other records, when it is within his power to do so, shall be guilty of a Class 1 misdemeanor.

C. Each day any violation of such court-issued subpoena, court order, or Commission-issued subpoena continues shall be deemed to be a separate offense.
§ 60.2-628. Protection against self-incrimination.
No person shall be excused from attending and testifying or from producing books, papers, correspondence, memoranda, and other records before the Commission in any cause or proceeding before the Commission, on the ground that the testimony or evidence, documentary or otherwise, required of him may tend to incriminate him or subject him to a penalty or forfeiture. However, no individual shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he is compelled, after having claimed his privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that such individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

Code 1950, § 60-38; 1968, c. 738, § 60.1-43; 1986, c. 480.

§ 60.2-629. Redetermination of claims.
Notwithstanding any other provisions of this title, the Commission may, at any time within one year from the date the deputy's determination becomes final pursuant to § 60.2-619, redetermine any monetary determination issued by a deputy from which no appeal was taken by the claimant. Notice of any such redetermination shall be given promptly to the interested parties, and an appeal from such redetermination may be filed within the time and in the manner prescribed for an appeal from any original determination. If no such appeal is filed such redetermination shall be final. Any redetermination hereunder shall be limited to monetary determinations containing (i) an error in computation or (ii) newly discovered wages of the claimant pertinent to such determination.

Code 1950, § 60-56; 1968, c. 738, § 60.1-68; 1986, c. 480.

§ 60.2-630. Authority to set aside or vacate determinations and decisions.
The Commission may, in its discretion, at any time before a determination or decision becomes final pursuant to §§ 60.2-619, 60.2-621, or § 60.2-622, with good cause set aside or modify any such determination or decision.

1981, c. 74, § 60.1-68.1; 1986, c. 480.

§ 60.2-631. Board of Review.
A. The Commissioner, in his discretion, is hereby authorized to appoint a Board of Review consisting of three members, one of whom shall be designated chairman for a term of six years. The terms of the members first taking office shall be two, four, and six years, respectively, as designated by the Commissioner at the time of the appointment. Vacancies shall be filled by appointment by the Commissioner for the unexpired term. During his term of membership on the Board no member shall serve as an officer or committee member of any political organization. The members of the Board shall be compensated in a manner determined by the Commission. The Commission shall furnish the Board such stenographic and clerical assistance as the Board may require. All compensation of the members of the Board and all necessary expenses for the operation thereof shall be paid out of the administrative fund provided for in §§ 60.2-306 through 60.2-309 and §§ 60.2-311 through 60.2-313. The
Commissioner may at any time, after notice and hearing, remove any member for cause. The Commissioner may, after thirty days' notice to the members of the Board and upon a finding that the Board is no longer needed, abolish the same.

B. 1. The Board shall meet upon the call of the chairman. It shall have the same powers and perform the same functions vested in the Commission in this title for review of decisions by an appeal tribunal, including the power to administer oaths and affirmations, take depositions, certify to official acts, and issue subpoenas to compel the attendance of witnesses and the production of books, papers, correspondence, memoranda and other records deemed necessary as evidence in connection with disputed claims.

2. The Board may hold its hearings in the county or city where the claimant was last employed, except that hearings involving the provisions of subdivision 2 of § 60.2-612 shall be held in the county or city where the claimant was last employed. When the same or substantially similar evidence is relevant and material to matters in issue in claims by more than one individual or in claims by a single individual with respect to two or more weeks of unemployment, the same time and place for considering each such claim may be fixed, hearings thereon jointly conducted, and a single record of the proceedings made.

C. The Commission may issue such regulations as it deems necessary for the procedure of the Board in the conduct of its hearings. During the time the Board is organized under authority of the Commissioner, the Commission shall have no jurisdiction under § 60.2-622. Any decision of the Board shall become final ten days after the date of notification or mailing and judicial review shall be permitted the claimant, the Commission or any interested party claiming to be aggrieved. In any judicial action involving any such decision the Commission shall be represented by the Office of the Attorney General. Any decision of the Board from which no judicial review is sought within the time prescribed in § 60.2-625 shall be conclusive against any party to the hearing before the Board and the Commission in any subsequent judicial proceedings involving liability for taxes under this title.

D. Within the time specified in § 60.2-625 the Commission, or any party to the proceedings before the Board, may obtain judicial review by filing in the circuit court of the county or city in which the individual who filed the claim was last employed, in the Commonwealth, a petition for review of such decision. In any such proceeding any other party to the proceeding shall be made a party respondent. The Commission shall be deemed to be a party to any such proceeding. The petition need not be verified. A copy of such petition shall be served upon the Commission and each party to the proceeding held before the Board at least thirty days prior to the placing of the petition upon the docket. The mailing of a copy of such petition to each party at his last known address shall be sufficient service. The Commission shall file along with its petition or answer a certified copy of the record of the case, including all documents and papers and a transcript of all testimony taken in the matter, together with the Board's findings, conclusions and decision therein.
E. In any proceeding under this section the Board's findings of facts, if supported by the evidence and in the absence of fraud, shall be conclusive and the jurisdiction of the court shall be confined to questions of law. The court may order additional evidence to be taken by the Board, which such additional evidence, findings of fact or conclusions, together with the additional transcript of the record, shall be certified by the chairman of the Board and filed by him with the court. Such petition for review shall be heard in a summary manner and shall have preference over all other cases on the docket, except cases in which the Commonwealth is a party.

F. An appeal may be taken from the decision of such court to the Court of Appeals in conformity with Part Five A of the Rules of Supreme Court and other applicable laws. From any such decision involving (i) the provisions of § 60.2-612 or § 60.2-618, (ii) whether an employing unit constitutes an employer or (iii) whether services performed for or in connection with the business of an employing unit constitute employment for such employing unit, the Court of Appeals shall have jurisdiction to review such decision regardless of the amount involved in any claim for benefits. It shall not be necessary, in any proceeding before the Board, to enter exceptions to its ruling, and no bond shall be required upon any appeal to any court. Upon the final determination of such judicial proceeding, the Board shall enter an order in accordance with such determination.

Article 6 - VIOLATIONS, PENALTIES, AND LIABILITIES

§ 60.2-632. False statements, etc., to obtain or increase benefits.
Whoever makes a false statement or representation knowing it to be false or knowingly fails to disclose a material fact, with intent to obtain or increase any benefit or other payment under this title, the unemployment compensation act of any other state, or any program of the federal government which is administered in any way under this title, either for himself or for any other person, shall be guilty of a Class 1 misdemeanor. Each such false statement or representation or failure to disclose a material fact shall constitute a separate offense.

§ 60.2-633. (Effective until July 1, 2022) Receiving benefits to which not entitled.
A. Any person who has received any sum as benefits under this title to which he was not entitled shall be liable to repay such sum to the Commission. For purposes of this section, "benefits under this title" includes benefits under an unemployment benefit program of the United States or of any other state. In the event the claimant does not refund the overpayment, the Commission shall deduct from any future benefits such sum payable to him under this title. The Commission shall waive the requirement to repay the overpayment after an individual case review if (i) the overpayment was made without fault on the part of the individual and (ii) requiring repayment would be contrary to equity and good conscience.

For the purposes of this section:
1. An overpayment made "without fault on the part of the individual" shall include overpayments that (i) result from administrative error; (ii) are the result of inducement, solicitation, or coercion on the part of the employer; or (iii) result from the employer's failure to respond timely or adequately to the Commission's request for information, as required by § 60.2-528.1. An overpayment shall not be considered "without fault on the part of the individual" if such overpayment was the result of (a) a reversal in the appeals process, unless the employer failed to respond timely or adequately to the Commission's request for information regarding the individual's separation from employment; (b) a programming, technological, or automated system error not directly associated with an individual claim that results in erroneous payments to a group of individuals; or (c) fraud.

2. It shall be contrary to equity and good conscience if requiring repayment of an overpayment would deprive the individual of the income required to provide for basic necessities, including shelter, food, medicine, child care, or any other essential living expenses.

B. For any overpayment where repayment is not forgiven, the Commission shall have the authority to negotiate the terms of repayment, which shall include (i) deducting up to 50 percent of the payable amount for any future week of benefits claimed, rounded down to the next lowest dollar until the overpayment is satisfied; (ii) forgoing collection of the payable amount until the recipient has found employment as defined in § 60.2-212; or (iii) determining and instituting an individualized repayment plan.

The Commission shall collect an overpayment of benefits under this chapter caused by administrative error only by offset against future benefits or a negotiated repayment plan; however, the Commission may institute any other method of collection if the individual fails to enter into or comply with the terms of the repayment plan. Administrative error shall not include decisions reversed in the appeals process.

Overpayments where the obligation to repay has not been waived may be collectible by civil action in the name of the Commission. Amounts collected in this manner may be subject to an interest charge as prescribed in § 58.1-15 from the date of judgment and may be subject to fees and costs. Collection activities for any benefit overpayment established of $5 or less may be suspended. The Commission may, for good cause, determine as uncollectible and discharge from its records any benefit overpayment which remains unpaid after the expiration of seven years from the date such overpayment was determined, or immediately upon the death of such person or upon his discharge in bankruptcy occurring subsequently to the determination of overpayment. Any existing overpayment balance not equal to an even dollar amount shall be rounded to the next lowest even dollar amount.

C. The Commission is authorized to accept repayment of benefit overpayments by use of a credit card. The Virginia Employment Commission shall add to such payment a service charge for the acceptance of such card. Such service charge shall not exceed the percentage charged to the Virginia Employment Commission for use of such card.

D. No determination with respect to benefit overpayments shall be issued until after a determination or decision that finds a claimant ineligible or disqualified for benefits previously paid has become final.
E. Final orders of the Commission with respect to benefit overpayments may be recorded, enforced, and satisfied as orders or decrees of a circuit court upon certification of such orders by the Commissioner as may be appropriate.

§ 60.2-633. (Effective July 1, 2022) Receiving benefits to which not entitled.

A. Any person who has received any sum as benefits under this title to which he was not entitled shall be liable to repay such sum to the Commission. For purposes of this section, "benefits under this title" includes benefits under an unemployment benefit program of the United States or of any other state. In the event the claimant does not refund the overpayment, the Commission shall deduct from any future benefits such sum payable to him under this title. However, if an overpayment of benefits under this chapter, but not under an unemployment benefit program of the United States or of any other state, occurred due to administrative error, the Commission shall have the authority to negotiate the terms of repayment, which shall include (i) deducting up to 50 percent of the payable amount for any future week of benefits claimed, rounded down to the next lowest dollar until the overpayment is satisfied; (ii) forgoing collection of the payable amount until the recipient has found employment as defined in § 60.2-212; or (iii) determining and instituting an individualized repayment plan. The Commission shall collect an overpayment of benefits under this chapter caused by administrative error only by offset against future benefits or a negotiated repayment plan; however, the Commission may institute any other method of collection if the individual fails to enter into or comply with the terms of the repayment plan. Administrative error shall not include decisions reversed in the appeals process. In addition, the overpayment may be collectible by civil action in the name of the Commission. Amounts collected in this manner may be subject to an interest charge as prescribed in § 58.1-15 from the date of judgment and may be subject to fees and costs. Collection activities for any benefit overpayment established of five dollars or less may be suspended. The Commission may, for good cause, determine as uncollectible and discharge from its records any benefit overpayment which remains unpaid after the expiration of seven years from the date such overpayment was determined, or immediately upon the death of such person or upon his discharge in bankruptcy occurring subsequently to the determination of overpayment. Any existing overpayment balance not equal to an even dollar amount shall be rounded to the next lowest even dollar amount.

B. The Commission is authorized to accept repayment of benefit overpayments by use of a credit card. The Virginia Employment Commission shall add to such payment a service charge for the acceptance of such card. Such service charge shall not exceed the percentage charged to the Virginia Employment Commission for use of such card.

C. Final orders of the Commission with respect to benefit overpayments may be recorded, enforced and satisfied as orders or decrees of a circuit court upon certification of such orders by the Commissioner as may be appropriate.
§ 60.2-634. Receiving back pay after reinstatement.
Whenever the Commission finds that a discharged employee has received back pay at his customary wage rate from his employer after reinstatement such employee shall be liable to repay any benefits paid to such person during the time he was unemployed. When such an employee is liable to repay benefits to the Commission, such sum shall be collectible without interest by civil action in the name of the Commission.

§ 60.2-635. Deprivation of further benefits.
Any person who has been finally convicted under this chapter shall be deprived of any further benefits for the one-year period next ensuing after the date of conviction.

§ 60.2-636. Penalty for fraudulent claim.
A. Any person who has been disqualified for benefits under subdivision 4 of § 60.2-618 and who, because of those same acts or omissions, has received any sum as benefits under this title to which the person is not entitled shall be assessed a penalty in an amount equal to 15 percent of the amount of the payment to which the person was not entitled. All penalties collected by the Commission shall be paid into the state treasury and credited to the clearing account of the Fund established pursuant to § 60.2-300. The penalty applies to an erroneous payment made under any state program providing for the payment of unemployment compensation as well as an erroneous payment made under any federal program providing for the payment of unemployment compensation. The notice of determination or decision advising the person that benefits have been denied or adjusted pursuant to subdivision 4 of § 60.2-618 shall include the reason for the finding of an erroneous payment, the penalty amount assessed under this section, and the reason the penalty has been applied.

B. The amount of the penalty assessed pursuant to this section may be collected in any manner allowed for the recovery of the erroneous payment. When a recovery with respect to an erroneous payment is made, any recovery shall be applied first to the principal of the erroneous payment, then to the penalty amount imposed under this section, and finally to any other amounts due.

2013, c. 771.

§ 60.2-637. Notice of penalties for false or misleading statements.
A. The Commission shall provide to each claimant notices of the sanctions to which the claimant is subject as a consequence of providing false or misleading statements to obtain unemployment benefits. The notices shall, at a minimum, (i) identify the penalties and sanctions to which any person is liable as a result of providing false or misleading statements to obtain benefits; (ii) inform the claimant that making a false statement or representation knowing it to be false or knowingly failing to disclose a
material fact, with intent to obtain or increase any benefit or other payment under this title, is punishable as a Class 1 misdemeanor; and (iii) provide a summary of all remedies available to the Commission to collect overpayments made to a claimant as a result of his making false or misleading statements to obtain benefits.

B. The notices required by subsection A shall be included with the written statement advising claimants of their benefit rights and responsibilities that is provided by the Commission to claimants following the filing of the initial claim. In addition, the notices shall be provided to claimants at the time of the filing of initial and weekly claims by the same medium, including telephone or the Internet, that is used by the claimant to file his claim.

C. The failure of the claimant to receive any of the notices set out in subsection A shall not constitute a defense to any criminal prosecution for unemployment insurance fraud under § 60.2-632, to an administrative fraud disqualification under subdivision 4 of § 60.2-618, or to any overpayment of benefits under § 60.2-633 that the claimant would be required to repay as a result of the fraudulent act or acts.

Chapter 7 - SHORT-TIME COMPENSATION PROGRAM

§§ 60.2-700 through 60.2-709. Expired.
Expired pursuant to Acts 2014, c. 818, cl. 5, effective July 1, 2016.

§ 60.2-710. Repealed.
Repealed by Acts 2015, c. 709, cl. 2.

§ 60.2-711. Definitions.
As used in this chapter, unless the context requires a different meaning:

"Affected unit" means a specific plant, department, shift, or other definable unit of an employing unit that has at least two employees to which an approved short-time compensation plan applies.

"Health and retirement benefits" means employer-provided health benefits and retirement benefits under a defined benefit pension plan as defined in § 414(j) of the Internal Revenue Code or contributions under a defined contribution plan as defined in § 414(i) of the Internal Revenue Code that are incidents of employment in addition to the cash remuneration earned.

"Program" means the short-time compensation program established pursuant to this chapter.

"Short-time compensation" means the unemployment benefits payable to employees in an affected unit under an approved short-time compensation plan, as distinguished from the unemployment benefits otherwise payable under the unemployment compensation provisions of this title.

"Work sharing plan" or "plan" means a plan submitted by an employer to the Commission for approval to participate in the Program.

2020, c. 1261.

§ 60.2-712. Application to participate in short-time compensation program.
A. The Commission shall establish and implement a short-time compensation program by January 1, 2022. The Program shall meet the requirements of 22 U.S.C. § 3306(v) and all other applicable federal and state laws.

B. An employer that wishes to participate in the Program shall submit to the Commission a signed, written work sharing plan for approval. The Commission shall develop an application form to request approval of a plan and an approval process. The application shall include:

1. The affected unit covered by the plan, including the number of employees in the unit; the percentage of employees in the affected unit covered by the plan; identification of each individual employee in the affected unit by name, social security number, and the employer’s unemployment tax account number; and any other information required by the Commission to identify plan participants.

2. A description of how employees in the affected unit will be notified of the employer's participation in the plan if such application is approved, including how the employer will notify those employees in a collective bargaining unit as well as any employees in the affected unit who are not in a collective bargaining unit. If the employer does not intend to provide advance notice to employees in the affected unit, the employer shall explain in a statement in the application why it is not feasible to provide such notice.

3. A requirement that the employer identify, in the application, the usual weekly hours of work for employees in the affected unit and the specific percentage by which their hours will be reduced during all weeks covered by the plan. The percentage of reduction for which a work sharing plan application may be approved shall be not less than 10 percent and not more than 60 percent. If the plan includes any week for which the employer regularly does not provide work, including incidences due to a holiday or other plant closing, then such week shall be identified in the application.

4. Certification by the employer that, if the employer provides health benefits and retirement benefits to any employee whose usual weekly hours of work are reduced under the Program, such benefits will continue to be provided to employees participating in the Program under the same terms and conditions as though the usual weekly hours of work of such employee had not been reduced or to the same extent as other employees not participating in the Program. For defined benefit retirement plans, the hours that are reduced under the plan shall be credited for purposes of participation, vesting, and accrual of benefits as though the usual weekly hours of work had not been reduced. The dollar amount of employer contributions to a defined contribution plan that are based on a percentage of compensation may be less due to the reduction in the employee's compensation.

5. Certification by the employer that the aggregate reduction in work hours is in lieu of layoffs, whether temporary or permanent layoffs or both. The application shall include an estimate of the number of employees who would have been laid off in the absence of the plan. The employer shall also certify that new employees will not be hired in or transferred to an affected unit for the duration of the plan.

6. Certification by the employer that participation in the plan and its implementation is consistent with the employer's obligations under applicable federal and state laws.
7. Agreement by the employer to (i) furnish reports to the Commission relating to the proper conduct of the plan; (ii) allow the Commission access to all records necessary to approve or disapprove the plan application and, after approval of a plan, monitor and evaluate the plan; and (iii) follow any other directives the Commission deems necessary to implement the plan and that are consistent with the requirements for plan applications.

8. Any other provision added to the application by the Commission that the U.S. Secretary of Labor determines to be appropriate for purposes of a work sharing plan.

§ 60.2-713. Approval and disapproval of plan.
The Commission shall approve or disapprove a work sharing plan in writing within 10 working days of its receipt and promptly communicate the decision to the employer. A decision disapproving the plan shall clearly identify the reasons for the disapproval. If a plan is disapproved, the employer may submit a different work sharing plan for approval.

2020, c. 1261.

§ 60.2-714. Effective date, duration, and modification of plan.
A. A work sharing plan shall be effective on the date that is mutually agreed upon by the employer and the Commission, which shall be specified in the notice of approval to the employer. The plan shall expire on the date specified in the notice of approval, which shall be either the date at the end of the twelfth full calendar month after its effective date or an earlier date mutually agreed upon by the employer and the Commission. However, if a work sharing plan is revoked by the Commission under subsection B, the plan shall terminate on the date specified in the Commission's written order of revocation. An employer may terminate a plan at any time upon written notice to the Commission. Upon receipt of such notice from the employer, the Commission shall promptly notify each member of the affected unit of the termination date. An employer may submit a new application to participate in another plan at any time after the expiration or termination date.

B. The Commission may revoke approval of a work sharing plan for good cause at any time, including upon the request of any of the affected unit's employees. The revocation order shall be in writing and shall specify the reasons for the revocation and the date the revocation is effective. The Commission may periodically review the operation of each employer's plan to assure that no good cause exists for revocation of the approval of the plan. Good cause shall include failure to comply with the assurances given in the plan, unreasonable revision of productivity standards for the affected unit, conduct or occurrences tending to defeat the intent and effective operation of the plan, and violation of any criteria on which approval of the plan was based.

C. An employer may request a modification of an approved plan by filing a written request to the Commission. The request shall identify the specific provisions proposed to be modified and provide an explanation of why the proposed modification is appropriate for the plan. The Commission shall approve or disapprove the proposed modification in writing within 10 working days and promptly
communicate the decision to the employer. An employer is not required to request approval of a plan modification from the Commission if the change is not substantial, but the employer shall report every change to the plan to the Commission promptly and in writing.

2020, c. 1261.

§ 60.2-715. Eligibility for short-time compensation.
A. An employee is eligible to receive short-time compensation under a work sharing plan with respect to any week only if the employee is monetarily eligible for unemployment compensation, not otherwise disqualified for unemployment compensation, and:

1. During the week, the employee is employed as a member of an affected unit under an approved work sharing plan that was approved prior to that week, and the plan is in effect with respect to the week for which short-time compensation is claimed; and

2. Notwithstanding any other provisions of this title relating to availability for work and actively seeking work, the employee is available for the employee's usual hours of work with the short-time compensation employer, which may include, for purposes of this section, participating in training, including employer-sponsored training or training funded under the federal Workforce Innovation and Opportunity Act of 2014, to enhance job skills that is approved by the Commission.

B. Notwithstanding any other provision of law, an employee covered by a work sharing plan is deemed unemployed in any week during the duration of that plan if the employee's remuneration as an employee in an affected unit is reduced based on a reduction of the employee's usual weekly hours of work under an approved work sharing plan.

C. The short-term compensation program shall not serve as a subsidy of seasonal employment during the off-season, nor as a subsidy of temporary part-time or intermittent employment.

2020, c. 1261.

§ 60.2-716. Benefits.
A. The short-time compensation weekly benefit amount shall be the product of the regular weekly unemployment compensation amount for a week of total unemployment multiplied by the percentage of reduction in the individual's usual weekly hours of work.

B. An individual may be eligible for short-time compensation or unemployment compensation, as appropriate, except that (i) no individual shall be eligible for combined benefits in any benefit year in an amount more than the maximum entitlement established for regular unemployment compensation and (ii) no individual shall be paid short-time compensation benefits for more than 26 weeks under a plan.

C. Provisions applicable to unemployment compensation claimants shall apply to short-time compensation claimants to the extent that they are not inconsistent with the Program's provisions. An individual who files an initial claim for short-time compensation benefits shall receive a monetary determination.
D. An employee who is not provided any work during a week by the short-time compensation employer, or any other employer, and who is otherwise eligible for unemployment compensation shall be eligible for the amount of regular unemployment compensation to which he would otherwise be eligible.

E. An employee who is not provided any work by the short-time compensation employer during a week, but who works for another employer and is otherwise eligible, may be paid unemployment compensation for that week subject to the disqualifying income and other provisions applicable to claims for regular compensation.

F. An employee who has received all of the short-time compensation or combined unemployment compensation and short-time compensation available in a benefit year shall be considered an exhaustee for purposes of extended benefits and, if otherwise eligible under those provisions, shall be eligible to receive extended benefits.

2020, c. 1261.
